### Mobile Access Equipment and Subassemblies Thereof From the People's Republic of China: Amended Final Results of Countervailing Duty Administrative Review; 2022

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) is amending the final results of the administrative review of the countervailing duty order on mobile access equipment and subassemblies thereof (MAE) from the People's Republic of China (China). This

notice amends the cash deposit rate for Zhejiang Dingli Machinery Co., Ltd. (Dingli). The period of review (POR) is January 1, 2022, through December 31, 2022.

**DATES:** Applicable January 26, 2026.

**FOR FURTHER INFORMATION CONTACT:** Paul Senoyuit, AD/CVD Operations, Office II, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-6106.

### SUPPLEMENTARY INFORMATION:

#### Background

On December 19, 2025, Commerce published in the **Federal Register** the *Final Results* of the 2022 administrative review<sup>1</sup> of the countervailing duty order on MAE from China.<sup>2</sup> On December 29, 2025, we received a timely ministerial error allegation from the Coalition of American Manufacturers of Mobile Access Equipment (the petitioners).<sup>3</sup> No other interested party submitted comments. Commerce is amending the *Final Results* to correct one ministerial error.

#### Legal Framework

Section 751(h) of the Tariff Act of 1930, as amended (the Act), defines a “ministerial error” as including “errors in addition, subtraction, or other arithmetic function, clerical errors resulting from inaccurate copying, duplication, or the like, and any other unintentional error which the administering authority considers ministerial.”<sup>4</sup> With respect to final

results of administrative reviews, 19 CFR 351.224(e) provides that Commerce “will analyze any comments received and, if appropriate, correct any . . . ministerial error by amending the final results of review . . . {.}”

### Ministerial Error

Commerce reviewed the record and finds that errors alleged by the petitioner constitute a ministerial error within the meaning of section 751(h) of the Act and 19 CFR 351.224(f).<sup>5</sup> Specifically, we find that the benchmark error present in Dingli's final margin calculation, which calculated inland freight on a per-kilogram per-kilometer basis instead of a per-kilogram basis, was an inadvertent error which we consider ministerial. Pursuant to 19 CFR 351.224(e), Commerce is amending the *Final Results* to reflect the correction of this ministerial error. The revised new subsidy rate is provided below.

For a complete discussion of the ministerial error allegation, as well as Commerce's analysis, *see* the Ministerial Error Memorandum. The Ministerial Error Memorandum is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>.

### Amended Final Results of Review

As a result of correcting the ministerial error, we determine that the following countervailable subsidy rate for Dingli exists for the period of January 1, 2022, through December 31, 2022:

| Company                                                                                                                                                                                                   | Subsidy rate (percent <i>ad valorem</i> ) |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------|
| Zhejiang Dingli Machinery Co. Ltd.; Zhejiang Green Power Machinery Co., Ltd.; Zhejiang Shengda Fenghe Automotive Equipment Co., Ltd.; Zhejiang Xieheng Intelligent Equipment Co., Ltd. <sup>6</sup> ..... | 33.10                                     |

### Disclosure

Commerce intends to disclose its calculations and analysis performed for the amended final results of review within five days after the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

### Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the amended final results of this review, for

the above-listed company at the applicable *ad valorem* assessment rate. We intend to issue assessment instructions to CBP no earlier than 35 days after the date of publication of these amended final results of review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment
