Additionally, Commerce is rescinding this review with respect to two companies. Interested parties are invited to comment on these preliminary results.

SUPPLEMENTARY INFORMATION:

Background

On November 6, 2014, Commerce published in the **Federal Register** the countervailing duty (CVD) order on rebar from Türkiye.¹ On November 1, 2024, Commerce published in the **Federal Register** a notice of opportunity to request an administrative review of the *Order* for the POR.² On December 9, 2024, Commerce tolled the deadline to issue the preliminary results in administrative reviews for which the opportunity to request the review was published in November or December 2024, by 90 days.³ On December 18, 2024, Commerce published in the **Federal Register** the notice of the initiation of this administrative review.⁴

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days,⁵ and, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in

administrative proceedings by an additional 21 days.⁶ Further, on December 22, 2025, Commerce extended the time period for issuing these preliminary results by 14 days, in accordance with section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act).⁷ Accordingly, the deadline for these preliminary results is now January 21, 2026.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁸ A list of topics included in the Preliminary Decision Memorandum is provided in the appendix to this notice. The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The merchandise covered by the *Order* is rebar from Türkiye. For a complete description of the scope of the *Order*, see the Preliminary Decision Memorandum.

Rescission of Administrative Review, in Part

In accordance with 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if all parties that requested the review withdraw their requests within 90 days of the date of publication of the notice of initiation of the requested review. Commerce received a timely-filed withdrawal request, pursuant to 19 CFR 351.213(d)(1), from the Rebar Trade Action Coalition (the petitioner) for Kaptan Demir Celik Endustrisi ve Ticaret A.S. and Kaptan Metal Dis Ticaret ve Nakliyat A.S (collectively, Kaptan).⁹ Because the withdrawal request was timely filed, and no other party requested a review of this company, in accordance with 19 CFR 351.213(d)(1), Commerce is rescinding

this review of the *Order* with respect to Kaptan.

Further, pursuant to 19 CFR 351.213(d)(3), Commerce's practice is to rescind an administrative review of a CVD order when it concludes that there are no suspended entries of subject merchandise during the POR.¹⁰ Normally, upon completion of an administrative review, the suspended entries are liquidated at the CVD assessment rate calculated for the review period.¹¹ Therefore, for an administrative review of a company to be conducted, there must be a reviewable, suspended entry that Commerce can instruct U.S. Customs and Border Protection (CBP) to liquidate at the CVD assessment rate calculated for the POR.¹²

According to the CBP import data, Icdas Celik Enerji Tersane ve Ulasim Sanayi A.S. (Icdas), had no entries of subject merchandise during the POR.¹³ Therefore, we notified parties that we intended to rescind this administrative review with respect to Icdas and provided parties an opportunity to submit comments.¹⁴ We received no comments from interested parties. Therefore, in the absence of suspended entries of subject merchandise during the POR, in accordance with 19 CFR 351.213(d)(3), we are also rescinding the administrative review with respect to Icdas.

Methodology

Commerce is conducting this administrative review in accordance with 751(a)(1)(A) of the Act. For each of the subsidy programs found countervailable, we preliminarily find that there is a subsidy, *i.e.*, a financial contribution by an "authority" that gives rise to a benefit to the recipient, and that the subsidy is specific.¹⁵ For a full description of the methodology underlying our conclusions, *see* the Preliminary Decision Memorandum.

Preliminary Results of Review

As a result of this review, we preliminarily determine that the following net countervailable subsidy rate exists for the period January 1, 2023, through December 31, 2023:

Company	Subsidy rate (percent <i>ad valorem</i>)
Colakoglu Metalurji A.S.	1.84

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁶ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁷ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁸ Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the issues and decision memorandum that

will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the public executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹⁹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS by 5:00 p.m. Eastern Time within 30 days after the date of publication of this notice. Requests should contain: (1) the party's name, address, and telephone number; (2) the number of participants and whether any participant is a foreign national; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing.²⁰

Assessment Rates

Consistent with section 751(a)(1) of the Act and 19 CFR 351.212(b)(2), upon issuance of the final results, Commerce shall determine, and CBP shall assess, countervailing duties on all appropriate entries covered by this review.

For the companies for which the review is being rescinded (*i.e.*, Icdas and Kaptan), Commerce will instruct CBP to assess countervailing duties on all appropriate entries at a rate equal to the cash deposit of estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, during the period January 1, 2023, through December 31, 2023, in accordance with 19 CFR

351.212(c)(1)(i). Commerce intends to issue appropriate assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**.

For Colakoglu Metalurji A.S., Commerce will instruct CBP to assess countervailing duties on all appropriate entries at the subsidy rates calculated in the final results of this review. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has

SUPPLEMENTARY INFORMATION:

The Petitions

On November 20, 2025, the U.S. Department of Commerce (Commerce) received countervailing duty (CVD) petitions concerning imports of van-type trailers and subassemblies thereof (van-type trailers) from Canada, China, and Mexico filed in proper form on behalf of the American Trailer Manufacturers Coalition (the petitioner),¹ the members of which are domestic producers of van-type trailers.² The CVD Petitions were accompanied by antidumping duty (AD) petitions concerning imports of van-type trailers from Canada, China, and Mexico.³

Due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by 21 days.⁴ The revised deadline for the initiation of these investigations was

December 31, 2025. After considering comments regarding industry support, Commerce extended the initiation deadline by 20 days to further examine the issue of industry support, because it was not clear from the Petitions whether the industry support criteria had been met.⁵

Between November 25 and January 13, 2026, Commerce requested supplemental information pertaining to certain aspects of the Petitions in supplemental questionnaires.⁶ Between December 4, 2025, and January 15, 2026, the petitioner filed timely responses to these requests for additional information.⁷
