

in accordance with Rule 214 of the Commission's Rules of Practice and Procedure⁴ and the regulations under the NGA⁵ by the intervention deadline for the project, which is 5:00 p.m. Eastern Time on March 23, 2026. As described further in Rule 214, your motion to intervene must state, to the extent known, your position regarding the proceeding, as well as your interest in the proceeding. For an individual, this could include your status as a landowner, ratepayer, resident of an impacted community, or recreationist. You do not need to have property directly impacted by the project in order to intervene. For more information about motions to intervene, refer to the FERC website at <https://www.ferc.gov/resources/guides/how-to/intervene.asp>.

All timely, unopposed motions to intervene are automatically granted by operation of Rule 214(c)(1). Motions to intervene that are filed after the intervention deadline are untimely and may be denied. Any late-filed motion to intervene must show good cause for being late and must explain why the time limitation should be waived and provide justification by reference to factors set forth in Rule 214(d) of the Commission's Rules and Regulations. A person obtaining party status will be placed on the service list maintained by the Secretary of the Commission and will receive copies (paper or electronic) of all documents filed by the applicant and by all other parties.

Comments

Any person wishing to comment on the project may do so. The Commission considers all comments received about the project in determining the appropriate action to be taken. To ensure that your comments are timely and properly recorded, please submit your comments on or before 5:00 p.m. Eastern Time on March 23, 2026. The filing of a comment alone will not serve to make the filer a party to the proceeding. To become a party, you must intervene in the proceeding.

How To File Protests, Interventions, and Comments

There are two ways to submit protests, motions to intervene, and comments. In both instances, please reference the Project docket number CP26-62-000 in your submission.

(1) You may file your protest, motion to intervene, and comments by using the Commission's eFiling feature, which is located on the Commission's website (www.ferc.gov) under the link to

Documents and Filings. New eFiling users must first create an account by clicking on "eRegister." You will be asked to select the type of filing you are making; first select "General" and then select "Protest", "Intervention", or "Comment on a Filing"; or⁶

(2) You can file a paper copy of your submission by mailing it to the address below. Your submission must reference the Project docket number CP26-62-000.

To file via USPS: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426.

To file via any other method: Debbie-Anne A. Reese, Secretary, Federal Energy Regulatory Commission, 12225 Wilkins Avenue, Rockville, Maryland 20852.

The Commission encourages electronic filing of submissions (option 1 above) and has eFiling staff available to assist you at (202) 502-8258 or FercOnlineSupport@ferc.gov.

Protests and motions to intervene must be served on the applicant either by mail at: LaShawndra R. Proctor, Manager, Project Authorizations, 7000 Louisiana Street, Suite 1300, Houston, Texas 77002-2700 or by email (with a link to the document) at lashawndra_proctor@tcenergy.com. Any subsequent submissions by an intervenor must be served on the applicant and all other parties to the proceeding. Contact information for parties can be downloaded from the service list at the eService link on FERC Online.

Tracking the Proceeding

Throughout the proceeding, additional information about the project will be available from OPP at (202) 502-6595 or on the FERC website at www.ferc.gov using the "eLibrary" link as described above. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

In addition, the Commission offers a free service called eSubscription which allows you to keep track of all formal issuances and submittals in specific dockets. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. For more information and to

⁶ Additionally, you may file your comments electronically by using the eComment feature, which is located on the Commission's website at www.ferc.gov under the link to Documents and Filings. Using eComment is an easy method for interested persons to submit brief, text-only comments on a project.

ENVIRONMENTAL PROTECTION AGENCY

[EPA-R06-OW-2025-0307; FRL-12770-01-R6]

Proposed Modification of NPDES General Permit for New and Existing Sources and New Dischargers in the Offshore Subcategory of the Oil and Gas Extraction Category for the Western Portion of the Outer Continental Shelf of the Gulf of America (GMG290000)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice of proposed modification of NPDES General Permit.

SUMMARY: The Regional Administrator of Region 6 is seeking comments on a proposed narrow modification to the National Pollutant Discharge Elimination System (NPDES) General Permit No. GMG290000 for existing and new sources and new dischargers in the Offshore Subcategory of the Oil and Gas Extraction Point Source Category, located in and discharging to the Outer Continental Shelf offshore of Louisiana and Texas. The discharge of produced water to that portion of the Outer Continental Shelf from Offshore Subcategory facilities located in the territorial seas of Louisiana and Texas is also authorized by this permit. The proposed modification: changes the compliance date for acute Whole Effluent Toxicity (WET) limitations for Well Treatment Fluids, Completion Fluids, and Workover Fluids (TCW) discharges; change the name "Gulf of Mexico" to "Gulf of America"; and, adds duration of discharge reporting requirements for TCW fluids. The current compliance schedule to meet acute WET limitations for TCW discharges ended May 11, 2025. The proposed modification changes the final date for compliance with these WET limitations to May 11, 2028, which is the end of the permit term. Region 6 is also seeking comments on the Draft Environmental Assessment (EA) and Preliminary Finding of No Significant Impact (FONSI) during the 60-day public comment period for this general permit. The Draft EA addresses

potential impacts from proposed modification to the general permit. EPA is not reopening any other conditions of this permit as a part of this modification.

DATES: Comments must be submitted in writing to EPA on or before March 30, 2026. A virtual public hearing will be held. More information on the date and how to participate will be posted on the EPA public notices web pages for Texas and Louisiana at <https://www.epa.gov/publicnotices> at least 30 days prior to the virtual public hearing.

Proposed Documents: A draft permit, fact sheet, draft Environmental Assessment (EA) and preliminary Finding of No Significant Impact (FONSI), and other supporting documents are available online via the docket for this action at: <https://www.regulations.gov> or on EPA public notices web pages for Texas and Louisiana at: <https://www.epa.gov/publicnotices/notices-search>.

To obtain hard copies of these documents or any other information in the administrative record, please email R6NPDES@epa.gov.

Other Legal Requirements: Other statutory and regulatory requirements are discussed in the fact sheet that include: Oil Spill Requirement; Ocean Discharge Criteria Evaluation; Marine Protection, Research, and Sanctuaries Act; National Environmental Policy Act; Magnuson-Stevens Fisheries Conservation and Management Act; Endangered Species Act; State Water Quality Standards and State Certification; Coastal Zone Management Act; Paperwork Reduction Act; Regulatory Flexibility Act; National Historic Preservation Act; Offshore Subcategory of the Oil and Gas Extraction Point Source Category; 40 CFR 122.62; 40 CFR 124.13; and 40 CFR 124.5(c)(2).

How do I comment on this proposal?

Comment Submittals: You may send comments, identified by Docket ID. No. EPA-R06-OW-2025-0307; by any of the following methods:

- **Federal eRulemaking Portal:** <https://www.regulations.gov/> (our preferred method).

FEDERAL COMMUNICATIONS COMMISSION

[OMB 3060-1161; FR ID 327585]

Information Collection Being Reviewed by the Federal Communications Commission Under Delegated Authority

AGENCY: Federal Communications Commission.

ACTION: Notice; request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act (PRA) of 1995, the Federal Communications Commission (FCC or Commission) invites the general public and other Federal agencies to take this opportunity to comment on the following information collections. Comments are requested concerning: whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; the accuracy of the Commission’s burden estimate; ways to enhance the quality, utility, and clarity of the information collected; ways to minimize the burden of the collection of information on the respondents, including the use of automated collection burden on small business concerns with fewer than 25 employees. The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the PRA that does not display a valid OMB control number.

DATES: Written PRA comments should be submitted on or before March 30, 2026. If you anticipate that you will be submitting comments but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Cathy Williams, FCC, via email PRA@fcc.gov and to Cathy.Williams@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information about the information collection, contact Cathy Williams at (202) 418-2918.
