#### SUPPLEMENTARY INFORMATION:

*OMB Number:* 3133-NEW.

*Title:* Request for Individual Access and Consent for Disclosure of Records Protected Under the Privacy Act.

*Abstract:* The purpose of this collection is to ensure that the records of individuals who are the subject of NCUA systems of records are not wrongfully disclosed by NCUA. The information will be used by NCUA staff who process Freedom of Information Act (FOIA) and/Privacy Act requests for NCUA records when an individual requests NCUA records about themselves or consents to disclose records about themselves to a third-party. Specifically, NCUA Form "Request for Individual Access to Records Protected Under the Privacy Act" will be used to collect sufficient information to verify an individual's identity and identify the relevant system(s) of records containing the requested Privacy Act records. NCUA Form "Consent for Disclosure of Records Protected Under the Privacy Act" will be used to obtain individual consent to disclose Privacy Act records to a third-party, contact information for the person or entity to whom disclosure is authorized, and sufficient information

to identify the relevant system(s) of records.

*Affected Public:* Individuals.  
*Estimated Total Annual Burden Hours:* 16.

*Request for Comments:* Comments submitted in response to this notice will be summarized and included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit comments concerning: (a) whether the collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of the information on the respondents, including the use of automated collection techniques or other forms of information technology.

By the National Credit Union Administration Board.

**Melane Conyers-Ausbrooks,**

*Secretary of the Board.*
