#### OFFICE OF MANAGEMENT AND BUDGET

##### Notice; 2025 Statutory Pay-As-You-Go Act Annual Report

**AGENCY:** Office of Management and Budget (OMB).

**ACTION:** Notice.

**SUMMARY:** This report is being published as required by the Statutory Pay-As-You-Go (PAYGO) Act of 2010.<sup>1</sup> The Act requires that OMB issue an annual report and a sequestration order, if necessary.

**FOR FURTHER INFORMATION CONTACT:** Payton Thomas. 202-395-7868.

**SUPPLEMENTARY INFORMATION:** This report can be found at <https://www.whitehouse.gov/omb/paygo/>. Authority: 2 U.S.C. 934.

**Kelly A. Kinneen,**  
Assistant Director for Budget.

This Report is being published pursuant to section 5 of the Statutory Pay-As-You-Go (PAYGO) Act of 2010, Public Law 111-139, 124 Stat. 8, 2 U.S.C. 934, which requires that OMB issue an annual PAYGO report, including a sequestration order if necessary, no later than 14 working days after the end of a congressional session.

This Report describes the budgetary effects of all PAYGO legislation enacted during the first session of the 119th Congress and presents the 5-year and 10-year PAYGO scorecards maintained by OMB.<sup>1</sup> Because neither the 5-year nor 10-year scorecard shows a debit for the budget year, which for purposes of this Report is fiscal year 2026,<sup>2</sup> a sequestration order under subsection 5(b) of the PAYGO Act, 2 U.S.C. 934(b) is not required.

The budget year balance on each of the PAYGO scorecards is zero because the Continuing Appropriations, Agriculture, Legislative Branch, Military Construction and Veterans Affairs, and Extensions Act, 2026 (Pub. L. 119-37) set the balances on both scorecards to zero for all years. The change directed by Public Law 119-37 is discussed in more detail in section IV of this report.

During the first session of the 119th Congress, no laws with PAYGO effects were enacted with emergency requirements under section 4(g) of the PAYGO Act, 2 U.S.C. 933(g). Two laws had estimated budgetary effects on direct spending and/or revenues that

<sup>1</sup> This report encompasses laws enacted between January 3, 2025 at noon and January 3, 2026 at 11:55 a.m. (Pub. L. 118-225 through Pub. L. 119-68).

<sup>2</sup> References to years on the PAYGO scorecards are to fiscal years.

were excluded from the calculations of the PAYGO scorecards due to provisions excluding part of the law from section 4(d) of the PAYGO Act, 2 U.S.C. 933(d).

#### I. PAYGO Legislation With Budgetary Effects

PAYGO legislation is authorizing legislation that affects direct spending or revenues, and appropriations legislation that affects direct spending in the years after the budget year or affects revenues in any year.<sup>3</sup> The PAYGO Act requires that new legislation changing direct spending or revenue must be enacted on a “pay-as-you-go” basis; that is, that the cumulative effects of all such legislation enacted during a congressional session must not increase projected on-budget deficits.

The PAYGO Act’s requirement of deficit neutrality is based on two scorecards that tally the cumulative budgetary effects of PAYGO legislation as averaged over rolling 5- and 10-year periods starting with the budget year. The 5-year and 10-year PAYGO scorecards for each congressional session begin with the balances of costs or savings carried over from previous sessions and then tally the costs or savings of PAYGO laws enacted in the most recent session.

The 5-year PAYGO scorecard for the first session of the 119th Congress began with balances of zero in every year of both the 5- and 10-year scorecards because the American Relief Act, 2025 (Pub. L. 118-158) set the balances on both scorecards to zero for all years at the end of the second session of the 118th Congress.

Laws enacted during the first session of the 119th Congress created balances on the 5- and 10-year scorecards of \$529 billion and \$444 billion in each year, respectively.<sup>4</sup> Public Law 119-37 set the

<sup>3</sup> Provisions in appropriations acts that affect direct spending in the years after the budget year (also known as “outyears”) or affect revenues in any year are considered to be budgetary effects for the purposes of the PAYGO scorecards except if the provisions produce outlays changes that net to zero over the current year, budget year, and the four subsequent years. As specified in section 3 of the PAYGO Act, off-budget effects are not counted as budgetary effects. Off-budget effects refer to effects on the Social Security trust funds (Old-Age and Survivors Insurance and Disability Insurance) and the Postal Service.

<sup>4</sup> Public Law 119-21, the Working Families Tax Cut Act, extended the tax cuts originally enacted in the Tax Cuts and Jobs Act of 2017 (Pub. L. 115-97). While the budgetary effects of the tax relief due to the extension of these tax cuts are included in the balances on the PAYGO scorecards, the Administration believes that the baseline required by the PAYGO Act does not properly represent the current policy outlook. A more appropriate benchmark against which to measure policy
