

information about each management, instructor position, and evaluator position, and contain certain other administrative information.

Section 142.37 provides that application for approval of training programs must be in a form and manner acceptable to the Administrator, and must provide specific information about curriculum and courses of the training program.

Chapter 447, Section 44701 of Title 49, United States Code, provides, in pertinent part, that the Administrator may find, after investigation, that a person found to possess proper qualifications for a position as an airman may be issued such certificate. That certificate shall contain such terms, conditions, and limitations as to duration thereof, as well as periodic or special examinations, and other matters as the Administrator may determine to be necessary to assure safety in air commerce.

Section 142.73 requires that training centers maintain records for a period of one year to show trainee qualifications for training, testing, or checking, training attempts, training checking, and testing results, and for one year following termination of employment the qualification of instructors and evaluators providing those services.

The respondents may be the Part 142 schools, Part 121 or 135 air carriers who utilize these schools or new applicants seeking Part 142 certification. The information may be collected in electronic forms. No specific forms are required. Information reporting may be done in accordance with the individual FAA office.

## DEPARTMENT OF TRANSPORTATION

### Federal Aviation Administration

[Docket No. FAA-2025-5203]

#### Agency Information Collection Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Helicopter Air Ambulance, Commercial Helicopter, and Part 91 Helicopter Operations

**AGENCY:** Federal Aviation Administration (FAA), DOT.

**ACTION:** Notice and request for comments.

**SUMMARY:** In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The collection involves information related to rules governing Helicopter Air Ambulance, Commercial Helicopter, and Part 91 Helicopter Operations. The information to be collected supports the Department of Transportation's strategic goal of safety. Specifically, the goal is to promote the public health and safety by working toward the elimination of transportation-related deaths and injuries.

**DATES:** Written comments should be submitted by March 30, 2026.

**ADDRESSES:** Please send written comments:

*By electronic docket:*  
[www.regulations.gov](http://www.regulations.gov) (Enter docket number into search field).

*By mail:* Shannon Salinsky, 8700 Freepoint Parkway, Suite 200, Irving, TX 75063.

*By fax:* 817-222-2222.

**FOR FURTHER INFORMATION CONTACT:** Naleé D. Romero by email at: [Nalee.romero@faa.gov](mailto:Nalee.romero@faa.gov); phone: (202) 267-4702.

**SUPPLEMENTARY INFORMATION:** *Public Comments Invited:* You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

*OMB Control Number:* 2120-0756.

*Title:* Helicopter Air Ambulance, Commercial Helicopter, and Part 91 Helicopter Operations.

*Form Numbers:* 2120-0756, Helicopter Air Ambulance Mandatory Flight Information Report.

*Type of Review:* Renewal of an information collection.

*Background:* These requirements in part 135 are addressed specifically to helicopter air ambulance (HAA) operations, and on-demand operations, including overwater operations. The National Transportation Safety Board recommended several changes following accident investigations. The FAA aims to improve the safety record of helicopter air ambulances through better oversight of their operations. The FAA will use the information it collects and reviews to ensure compliance and adherence with regulations and, if necessary, to take enforcement action on violators of the regulations.

Under the authority of Title 49 CFR, Section 44701, Title 14 CFR prescribes the terms, conditions, and limitations as are necessary to ensure safety in air transportation. Title 14 CFR parts 91 and 135 prescribes the requirements governing helicopter air ambulance, commercial helicopter, and Part 91 helicopter operations. The information collected is used to determine air operators' compliance with the minimum safety standards and the applicants' eligibility for air operations certification. Each operator which seeks to obtain, or is in possession of an operating certificate, must comply with the requirements of part 91 or 135, as applicable, which include maintaining data which is used to determine if the air carrier is operating in accordance with minimum safety standards.

*Respondents:* Part 135 Helicopter Air Ambulance Operators, Part 135 Helicopter Commercial Operators, or Part 91 Helicopter Operators.

*Frequency:* The frequency of submission depends on the individual requirements. Some requirements are one time requirements and some are per each individual flight.

*Estimated Average Burden per Response:* 7 Minutes.

*Estimated Total Annual Burden:* 115,979 Hours.

Issued in Washington, DC, on January 27, 2026.
