SUPPLEMENTARY INFORMATION:

Background

Section 1102 of the Coronavirus Aid, Relief, and Economic Security (CARES) Act, Public Law 116–136, authorized SBA to guarantee loans made by banks or other financial institutions under a temporary program titled the “Paycheck Protection Program” (PPP). These loans were available to eligible small businesses, certain non-profit organizations, veterans’ organizations, Tribal business concerns, independent contractors, and self-employed individuals adversely impacted by the COVID–19 Emergency. SBA’s authority to guarantee PPP loans expired on August 8, 2020. On December 27, 2020, SBA received reauthorization under the Economic Aid Act, Public Law 116–260, to resume guaranteeing PPP loans through March 31, 2021. The Economic Aid Act also allowed certain eligible borrowers that previously received a PPP loan to receive a second draw PPP loan (“Second Draw PPP Loan Program”) and amended certain other PPP statutory provisions. On March 11, 2021, the American Rescue Plan Act, Public Law 117–2, was enacted, amending various PPP statutory provisions. On March 30, 2021, the PPP Extension Act of 2021 was enacted, extending the SBA’s PPP program authority through June 30, 2021.

This information collection is used for the Second Draw PPP Loan Program. This approval is set to expire on January 31, 2026. Although SBA’s program authority has expired, this information collection is still needed. Therefore, as required by the Paperwork Reduction Act, SBA is publishing this notice as a prerequisite to seeking OMB’s approval to use this information collection beyond January 31, 2026.

DEPARTMENT OF STATE

[Public Notice: 12937]

Office of the Chief of Protocol; Gifts to Federal Employees From Foreign Government Sources Reported to Employing Agencies in Calendar Year 2024

All information reported to the Office of the Chief of Protocol, including gift appraisal and donor information, is the responsibility of the employing agency, in accordance with applicable law and GSA regulations.

The Office of the Chief of Protocol, Department of State, submits the following comprehensive listing of the

statements which, as required by law, federal employees filed with their employing agencies during calendar year 2024 concerning gifts received from foreign government sources. The compilation includes reports of both tangible gifts and gifts of travel or travel expenses of more than minimal value, as defined in 5 U.S.C. 7432 and GSA regulations. For calendar year 2024 (January 1, 2024 through December 31, 2024), minimal value is \$480.00.

Consistent with Title 22 of the Code of Federal Regulations Section 3.4, the report includes all reported gifts given on a single occasion when the aggregate value of those gifts exceeds minimal

value. Also included are one gift from 2017, one gift from 2021, three gifts from 2022, and nineteen gifts from 2023. These latter gifts are being reported in this year's report for calendar year 2024 because the Office of the Chief of Protocol, Department of State, did not receive the relevant information at the time of reporting to include them in earlier reports. Agencies not listed in this report either did not receive relevant gifts during the calendar year, did not transmit a listing to the Secretary of State of all statements filed during the preceding year by the employees of that agency pursuant to 5 U.S.C. 7432(f)(1), or did not respond to

the State Department's Office of the Chief of Protocol's request for data. The U.S. Senate maintains an internal minimal value of \$100; therefore, all gifts over the \$100 limit are furnished in the U.S. Senate report.

Authority: Section 7342(f) of Title 5, United States Code, as added by Section 515(a)(1) of the Foreign Relations Authorization Act, Fiscal Year 1978 (Pub. L. 95-105, August 17, 1977, 91 Stat. 865).

Jason S. Evans,

Under Secretary for Management, U.S. Department of State.
