A. Program Description

1. Purpose of the Program

SECD supports projects that promote and partially or completely implement strategic community investment plans. These plans use the unique strengths of rural communities to advance prosperity. USDA RD helps finance and/or fund these projects to build community prosperity by using community assets, identifying resources, convening partners, and leveraging Federal, state, local or private funding.

In FY 2026, the Agency plans to implement SECD through reserving funds from the covered programs' appropriations as provided in 7 CFR part 1980, subpart K. This notice provides requirements to applicants submitting applications for the covered programs' reserved funds and establishes the above-mentioned priority effective upon the publication of this notice.

2. Statutory and Regulatory Authority

These funds are made available under Section 379H of the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 2008v).

3. The Covered Programs

Section 379H of the Consolidated Farm and Rural Development Act, as amended (7 U.S.C. 2008v), authorizes any program under the Consolidated Farm and Rural Development Act (Pub. L. 87-128), as determined by the Secretary, to give priority to

applications that support the implementation of multi-jurisdictional and multi-sectoral strategic community investment plans.

Accordingly, the Agency is giving priority to projects implementing strategic community investment plans in FY 2026 through the following RD programs:

- Community Facilities Loans; see 7 CFR part 1942, subpart A.
- Community Facilities Grants; see 7 CFR part 3570, subpart B.
- Community Facilities Guaranteed Loans; see 7 CFR part 5001.
- Water and Waste Disposal Programs Guaranteed Loans; see 7 CFR part 5001.
- Water and Waste Disposal Loans and Grants; see 7 CFR part 1780.

- Community Connect Grants, see 7 CFR part 1739.

4. Application of Awards

The Agency will review, evaluate, and score each application based on the

B. Federal Award Information

Type of Awards: Guaranteed loans, direct loans and grants.

Fiscal Year Funds: FY 2026 appropriated funds.

Available Funds: The amount of reserved funds available for SECD projects is dependent on the amount of available appropriated funding provided to each of the covered programs during the fiscal year. Successful applications will be selected by the Agency for funding and subsequently awarded. The Agency advises that all interested parties bear the financial burden of preparing and submitting an application in response to this Notice.

For FY 2026 applications, the following table specifies the anticipated percentage of funds being reserved for the covered SECD programs:

Performance Period: Performance period will vary by covered program.

Renewal or Supplemental Awards: N/A.

Type of Assistance Instrument: Grants, direct loans, and loan guarantees.

C. Eligibility Information

1. Eligible Applicants

To be considered for SECD reserved funds, both the applicant and project must meet the eligibility requirements of the covered program. These requirements vary among the covered programs and applicants should refer to the regulations for those programs, which are referenced in Section A.3. of this notice.

The Agency supports community and regional planning through the SECD regulation without making any changes to the applicant eligibility requirements of the covered programs. The SECD regulation includes three criteria that a project must meet to be considered for the SECD reserve funding (see 7 CFR 1980.1010).

The first criterion, as noted above, is that the project meets the applicable eligibility requirements of the covered program for which the applicant is applying.

The second criterion is that the project is "carried out in a rural area"

as defined in 7 CFR 1980.1005. As defined, this means either the entire project is physically located in a rural area, or all the beneficiaries of the service(s) provided through the project must either reside in or be located in a rural area. Note that the definition of "rural" varies among the covered programs and the SECD regulation (7 CFR part 1980, subpart K) does not change those definitions. Therefore, the applicable program regulations as outlined in Section A.2 of this notice should be reviewed as necessary.

The third criterion is that the project supports partial or complete implementation of a strategic community investment plan on a multi-jurisdictional and multi-sectoral basis as defined in 7 CFR 1980.1005.

To be considered for the reserved funds from covered programs in FY 2026, applicants must: (1) meet all requirements of the covered program; (2) meet all requirements in accordance with 7 CFR part 1980, subpart K (see 7 CFR 1980.1010); and (3) submit Form RD 1980-88 and the supporting

documentation required in 7 CFR 1080.1015, in addition to their program application, which includes:

- Sufficient information to show that the project will be carried out in a rural area, as defined by the appropriate covered program; and
- Identification of any current or previous applications the applicant has submitted for funds from the covered programs.

2. Cost Sharing or Matching

All cost sharing, matching, and cost participation requirements of the applicable covered program apply to projects seeking SECD reserved funds.

3. Other

All other eligibility requirements (beyond those identified in Section C.1 of this notice) found in the covered programs' regulations applying to applicants, their projects, and the beneficiaries of those projects are unchanged by either this notice or the regulations for the SECD program (7 CFR part 1980, subpart K).

D. Application and Submission Information

1. Address To Request Application Package

Information on how to submit applications is provided in the **ADDRESSES** section of this notice.

To register in SAM, entities will be required to obtain a Unique Entity Identifier (UEI). Instructions for obtaining the UEI are available at <https://sam.gov/entity-registration>.

(b) Applicant must maintain an active SAM registration, with current, accurate and complete information, at all times during which it has an active Federal award or an application under consideration by a federal awarding agency.

(e) The Agency will not make an award until the applicant has complied with all SAM requirements including providing the UEI. If an applicant has not fully complied with the requirements by the time the Agency is ready to make an award, the Agency may determine that the applicant is not qualified to receive a federal award and use that determination as a basis for making a federal award to another applicant.

4. Application Submission Deadlines

Each of the participating covered programs has different established deadlines for receipt of applications. Please refer to the Agency website or the appropriate covered program's **Federal Register** Notice for application deadline information. The Agency will not solicit or consider new scoring or eligibility information that is submitted after the application deadline. E. Application Review Information

1. Criteria

All FY 2026 applications for covered programs will be reviewed, evaluated, and scored based on the covered program's scoring criteria. This notice does not affect that process. This notice only affects the scoring of SECD applications competing for a covered program's SECD reserve funds.

For applicants wishing to be considered for reserved SECD funds in FY 2026, the Agency will review, evaluate, and score each application based on the criteria specified in 7 CFR 1980.1020, to award points for each covered program's SECD reserved funds.

2. Review and Selection Process

The Agency will prioritize applications competing for a covered program's reserved funds based on the covered program's awarded points plus the SECD earned points to determine which projects receive reserved funds. SECD points awarded are added to the covered program's application score to elevate and prioritize projects for accessing reserved funds. The RD covered programs reserve the right to offer the applicant less than the funding requested.

The Agency will notify SECD applicants who receive funding in a manner consistent with award notifications for the covered program.
