SUPPLEMENTARY INFORMATION: The Status of Forces Active-Duty Survey (SOFS-A)

is the primary source for reliable and generalizable survey data on active-duty military members. The survey assesses topics: financial well-being, retention intention, stress, tempo, readiness, nutrition, and suicide awareness. The majority of SOFS-A sample members will receive the full survey; while a subset of SOFS-A sample members will receive an abbreviated version of the survey content (*i.e.*, a module). The purpose of the module experiment is to assess the ability to reduce survey burden while attaining generalizable results by fielding two short modules rather than a single survey.

Title; Associated Form; and OMB Number: Status of the Forces Survey of Active-Duty Members; OMB Control Number 0704-0624.

Needs and Uses: The SOFS-A is an annual Department wide large-scale survey of active-duty members that is used in evaluating existing policies and programs, establishing baseline measures before implementing new policies and programs, and monitoring the progress of existing policies/programs. The survey assesses topics such as financial well-being, retention intention, stress, tempo, readiness, nutrition, and suicide awareness. Data are aggregated by appropriate demographics, including Service, paygrade, and other indicators. To be able to meet reporting requirements for Department leadership, the Military Services, and Congress, the survey needs to be completed in 2026. The legal requirements for the SOFS-A can be found in the FY2016 NDAA, Title VI, Subtitle F, Subpart 661. This legal requirement mandates that the SOFS-A solicit information on financial literacy and preparedness. Results will be used by the Service Secretaries to evaluate and update financial literacy training and will be submitted in a report to the Committees on Armed Services of the Senate and the House of Representatives.

Affected Public: Individuals and households.

Annual Burden Hours: 8,250 hours.

Number of Respondents: 16,500.

Responses per Respondent: 1.
