

it is possible that the remains were collected during this investigation.

Human remains representing at least one individual has been identified from Pavillion Key (8MO107). There are no associated funerary objects. There is no information relating to the excavation of this burial, although the geographic region is generally associated with the Glades Period (1000 B.C.–A.D. 1700). The Ancestor was presented to the FLMNH in January 1953 by Mr. Orin G. Fogle from Pavillion Key. There are no known hazardous or potentially hazardous substances.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is reasonably identified by the geographical location or acquisition history of the human remains and associated funerary objects described in this notice.

#### Determinations

The FLMNH has determined that:

- The human remains described in this notice represent the physical remains of two individuals of Native American ancestry.
- The 940 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.
- There is a connection between the human remains and associated funerary objects described in this notice and the Miccosukee Tribe of Indians; Seminole Tribe of Florida; and The Seminole Nation of Oklahoma.

#### Requests for Repatriation

Written requests for repatriation of the human remains and associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.
2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the human remains and associated funerary objects described in this notice to a requestor may occur on or after March 4, 2026. If competing requests for repatriation are received, the FLMNH must determine the most appropriate requestor prior to repatriation. Requests for joint

repatriation of the human remains and associated funerary objects are considered a single request and not competing requests. The FLMNH is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

#### Notice of Inventory Completion: California Department of Transportation, Oakland, CA

**AGENCY:** National Park Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), the California Department of Transportation (Caltrans) has completed an inventory of associated funerary objects and has determined that there is a cultural affiliation between the associated funerary objects and Indian Tribes or Native Hawaiian organizations in this notice.

**DATES:** Repatriation of the associated funerary objects in this notice may occur on or after March 4, 2026.

**ADDRESSES:** Send written requests for repatriation of the associated funerary objects in this notice to Lindsay Busse, PQS Principal Investigator and Cesar Villanueva, Co-Principal Investigator—Prehistoric Archaeology, California Department of Transportation, District 4, 111 Grand Avenue, Oakland, CA 94612, email [lindsay.busse@dot.ca.gov](mailto:lindsay.busse@dot.ca.gov) and [Cesar.Villanueva@dot.ca.gov](mailto:Cesar.Villanueva@dot.ca.gov).

**SUPPLEMENTARY INFORMATION:** This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA. The determinations in this notice are the sole responsibility of the Caltrans, and additional information on the determinations in this notice, including the results of consultation, can be found in its inventory or related records. The

National Park Service is not responsible for the determinations in this notice.

#### Abstract of Information Available

The 354 associated funerary objects are catalog entries representing lithics, baked clay, battered stone, a stone bead, and fire-affected rock. Of the 354 associated funerary objects, six catalog numbers are missing, and Caltrans and Sonoma State University (SSU) continue to look for them. These collections are from Napa County along Highway 29 in Napa City and are housed at SSU. The collections are the result of Caltrans project-delivery related excavations at CA-NAP-916 (Accession Nos. 99-04 and 2001-02) between 1999 and 2001. There are no known/document potential hazardous substances used to treat any of the cultural items.

#### Cultural Affiliation

Based on the information available and the results of consultation, cultural affiliation is clearly identified by the information available about the associated funerary objects described in this notice.

#### Determinations

Caltrans has determined that:

- The 354 objects described in this notice are reasonably believed to have been placed intentionally with or near individual human remains at the time of death or later as part of the death rite or ceremony.

- There is a connection between associated funerary objects described in this notice and the Cachil DeHe Band of Wintun Indians of the Colusa Indian Community of the Colusa Rancheria, California; Kletsel Dehe Wintun Nation of the Cortina Rancheria (*previously* listed as Kletsel Dehe Band of Wintun Indians); and the Yocha Dehe Wintun Nation, California.

#### Requests for Repatriation

Written requests for repatriation of the associated funerary objects in this notice must be sent to the authorized representative identified in this notice under **ADDRESSES**. Requests for repatriation may be submitted by:

1. Any one or more of the Indian Tribes or Native Hawaiian organizations identified in this notice.

2. Any lineal descendant, Indian Tribe, or Native Hawaiian organization not identified in this notice who shows, by a preponderance of the evidence, that the requestor is a lineal descendant or an Indian Tribe or Native Hawaiian organization with cultural affiliation.

Repatriation of the associated funerary objects described in this notice to a requestor may occur on or after

March 4, 2026. If competing requests for repatriation are received, Caltrans must determine the most appropriate requestor prior to repatriation. Requests for joint repatriation of the associated funerary objects are considered a single request and not competing requests. Caltrans is responsible for sending a copy of this notice to the Indian Tribes and Native Hawaiian organizations identified in this notice.

**Authority:** Native American Graves Protection and Repatriation Act, 25 U.S.C. 3003, and the implementing regulations, 43 CFR 10.10.

Dated: January 22, 2026.
