SUPPLEMENTARY INFORMATION: DOL collects information through Form ETA-9142C, and appendices, and Form ETA-9141C, to carry out the responsibilities created for DOL under the Northern Mariana Islands U.S. Workforce Act of 2018. The Workforce Act provides that a petition to employ a nonimmigrant worker under the CW-1 visa classification may not be approved by the U.S. Department of Homeland Security unless the employer has received a temporary labor certification from DOL confirming the following: (1) There are not sufficient U.S. workers in the Commonwealth of the Northern Mariana Islands (CNMI) who are able, willing, qualified, and available at the time and place needed to perform the services or labor involved in the petition; and (2) the employment of a nonimmigrant worker who is the subject of a petition will not adversely affect the wages and working conditions of similarly employed U.S. workers.

This information collection is subject to the PRA. A federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless it is approved by the OMB under the PRA and displays a currently valid OMB control number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid Control Number. See 5 CFR 1320.5(a) and 1320.6. The current ICR expires on April 30, 2026.
