

Registration Information: Individuals interested in attending the listening session must register with Webex. During registration, VA will ask attendees if they want to provide verbal or written feedback, so VA can coordinate enough time for verbal comments. However, verbal participation is not required to complete registration. If you wish to provide verbal or written feedback during the listening session, please register by April 30, 2026, at Noon EST. Individuals who indicate interest in commenting will receive a confirmation message two business days before the session. Individuals who wish to submit materials to VA must do so by April 30, 2026 at Noon EST.

VA will work to accommodate all individuals who wish to comment verbally. However, VA will prioritize those who registered in advance. The time allotted for individuals to comment verbally will depend on the number of registrations. VA will turn off cameras and mute microphones until the presenter's scheduled time to accommodate as many comments as possible. VA will request written submissions if there is not enough time to hear all verbal comments.

Note: During the listening session, VA will not share proposals or address feedback. VA will use suggestions made during the listening session and public comments on VA's plan to improve future evaluations. VA will continue to comply with the requirements of 38 U.S.C. 1172(a) and ensure appropriate public notice and opportunity for participation.

Special Accommodations: Attendees requiring special accommodations should make their requests to VA by contacting the point of contact identified in this notice no later than April 24, 2026, at Noon EST.
