On February 4, 2026, the Department of Justice lodged a proposed Third Joint Stipulation to Modify Consent Decree with the United States District Court for the Central District of California in the lawsuit entitled *United States and the State of California v. ITT LLC, et al.*, Civil Action No. 2:99–cv–00552.

The complaint sought reimbursement of response costs and the performance of response work by the defendants. In 2000, a consent decree settling the case was entered by the court. Pursuant to the consent decree, certain settling defendants (referred to in the consent decree as “Settling Work Defendants”) have been performing response work at the site in coordination with the City of Glendale.

The proposed Third Joint Stipulation provides that the Settling Work Defendants will not request a Certificate of Completion regarding the work before November 30, 2030, and they and the City of Glendale shall continue to perform their respective work until at least November 30, 2030.
