A. Overview of Information Collection

Title of Information Collection: Public Housing Flat Rent Exception Request Market Analysis.

OMB Approval Number: 2577-0290.

Type of Request: Reinstatement with change.

Form Number: HUD-5880.

Description of the need for the information and proposed use: Form HUD-5880 streamlines the process and reduces burden on PHAs when submitting a market analysis as part of a flat rent exception request in accordance with Notice PIH 2022-33(HA), which implements Section 238 of Title II of Public Law 113-235, the Department of Housing and Urban Development Appropriations Act of 2015. Notice PIH 2022-33(HA) allows PHAs to request flat rents that are based on the local rental market conditions, when the PHA can demonstrate through a market analysis that the Fair Market Rents (FMRs) are not reflective of the local market. This version of the form has been in use since FY2023. HUD is adjusting the average number of respondents and hourly cost per response to reflect the average level of submissions in FY2023, FY2024, and FY2025 and higher wage estimates from the Occupational Employment and Wage Statistics, but HUD is not proposing any changes to the form being renewed.
