AGENCY: United States International Trade Commission.

ACTION: Notice.

SUMMARY: The Commission hereby gives notice of the scheduling of expedited reviews pursuant to the Tariff Act of 1930 (“the Act”) to determine whether revocation of the countervailing duty order on steel concrete reinforcing bar (“rebar”) from Turkey and the antidumping duty order on rebar from Mexico would be likely to lead to continuation or recurrence of material injury within a reasonably foreseeable time.

DATES: January 26, 2026.

Commission’s electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On January 26, 2026, the Commission determined that the domestic interested party group response to its notice of institution (90 FR 42440, September 2, 2025) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of these reviews and rules of general application, consult the Commission’s Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on March 6, 2026. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission’s rules.

Written submissions.—As provided in § 207.62(d) of the Commission’s rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,³ and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before 5:15 p.m. on March 11, 2026, and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by March 11, 2026. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its

¹ A record of the Commissioners’ votes, the Commission’s statement on adequacy, and any individual Commissioner’s statements will be available from the Office of the Secretary and at the Commission’s website.

² Commissioner David S. Johanson voted to conduct full reviews.

³ The Commission has found the responses submitted on behalf of Rebar Trade Action Coalition to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined that these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission’s rules.

By order of the Commission.

Issued: February 12, 2026.

Secretary to the Commission.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 701-TA-741 (Final)]

Paper File Folders From Cambodia; Determination

On the basis of the record¹ developed in the subject investigation, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of paper file folders from Cambodia, provided for in subheading 4820.30.00 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce

¹ The record is defined in § 207.2(f) of the Commission’s Rules of Practice and Procedure (19 CFR 207.2(f)).

(“Commerce”) to be subsidized by the government of Cambodia.²

Background

The Commission instituted this investigation effective October 21, 2024, following receipt of petitions filed with the Commission and Commerce by the Coalition of Domestic Folder Manufacturers, Hastings, Minnesota, and Naperville, Illinois, alleging that an industry in the United States is materially injured and threatened with material injury by reason of subsidized and less-than-fair-value (“LTFV”) imports of paper file folders from Cambodia and LTFV imports of paper file folders from Sri Lanka. The Commission scheduled the final phase of its investigations following notification of preliminary affirmative determinations by Commerce that imports of paper file folders from Cambodia were being subsidized by the government of Cambodia and imports of paper file folders from Sri Lanka were being sold at LTFV, and of a preliminary negative determination by Commerce that imports of paper file folders from Cambodia were not being sold at LTFV within the meaning of sections 703(b) and 733(b) of the Act (19 U.S.C. 1671b(b) and 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** (90 FR 23708, June 4, 2025). Following a request by counsel for the Coalition of Domestic Folder Manufacturers to cancel the scheduled hearing and absent other requests to appear at the hearing, the public hearing scheduled in connection with these investigations was cancelled (90 FR 37886, August 6, 2025).

The investigation schedules became staggered when Commerce did not align its antidumping and countervailing duty investigations concerning paper file folders from Cambodia with its antidumping duty investigation concerning paper file folders from Sri Lanka, and reached an earlier final antidumping determination in the investigation concerning Sri Lanka. On September 22, 2025, the Commission issued a final affirmative determination in its antidumping duty investigation on paper file folders from Sri Lanka (90 FR 45961, September 24, 2025). On December 29, 2025, Commerce issued a final negative determination in its

antidumping duty investigation on paper file folders from Cambodia (90 FR 60612, December 29, 2025), after which the Commission terminated its antidumping investigation concerning paper file folders from Cambodia, effective December 29, 2025 (91 FR 380, January 6, 2026). Following notification on December 29, 2025 of a final affirmative determination by Commerce that imports of paper file folders from Cambodia were being subsidized by the government of Cambodia within the meaning of section 705(b) of the Act (19 U.S.C. 1671d(b)) (90 FR 60631, December 29, 2025),³ notice of the supplemental scheduling of the final phase of the Commission’s countervailing duty investigation was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission, Washington, DC, and by publishing the notice in the **Federal Register** of January 6, 2026 (91 FR 381, January 6, 2026).

The Commission made this determination pursuant to section 705(b) of the Act (19 U.S.C. 1671d(b)). It completed and filed its determination in this investigation on February 12, 2026. The views of the Commission are contained in USITC Publication 5700 (February 2026), entitled *Paper File Folders from Cambodia: Investigation No. 701-TA-741 (Final)*.

By order of the Commission.

Issued: February 12, 2026.

Secretary to the Commission.
