SUMMARY: The U.S. Department of Commerce (Commerce) determines that certain producers and exporters of

SUPPLEMENTARY INFORMATION:

Background

On June 12, 2025, Commerce published the *Preliminary Results* of this administrative review in the **Federal Register** and invited interested parties to comment.¹ On August 21, 2025, Commerce extended the deadline for issuing the final results by 60 days.²

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ Accordingly, the deadline for these final results is now February 17, 2026.

For a complete description of the events that have occurred since the *Preliminary Results*, see the Issues and Decision Memorandum.⁵ A list of topics discussed in the Issues and Decision Memorandum is provided as an appendix to this notice. The Issues and

Decision Memorandum is a public document and is on file electronically via ACCESS, which is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Scope of the Order

The product covered by this *Order* is certain cut-to-length carbon-quality steel plate.⁶ For a complete description of the scope of this *Order*, see the Issues and Decision Memorandum.

Methodology

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.⁷ The subsidy programs under review, and the issues raised in case and rebuttal briefs submitted by the interested parties, are discussed in the Issues and Decision Memorandum.

Changes Since the Preliminary Results

Based on minor corrections accepted at the verification of Hyundai Steel Company, we made certain changes to the company's calculations for these final results of review.

Final Results of Administrative Review

We determine that following total net countervailable subsidy rates exist for the period January 1, 2023, through December 31, 2023:

Producer/exporter	Subsidy rate (percent <i>ad valorem</i>)

Commerce has not made any changes to the calculations or analysis performed for Dongkuk Steel Mill Co., Ltd. in these final results.

Assessment Rates

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise covered by this review for the above-listed companies at the applicable *ad valorem* assessment rates listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

In accordance with section 751(a)(2)(C) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown for the companies subject to this review for shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed companies, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the most recent company-specific or all-others rate applicable to the company, as appropriate. These cash deposits, when imposed, shall remain in effect until further notice.
