

Affected Public: Individuals and households.

Estimated Number of Respondents: 136.

Estimated Total Annual Burden Hours: 1,510,960.

Abstract: The Home Mortgage Disclosure Act (HMDA) requires certain depository institutions and for-profit, non-depository institutions to collect, report, and disclose data about originations and purchases of mortgage loans. Additionally, these institutions must report mortgage loan applications that do not result in originations (for example, applications that are denied or withdrawn). The Bureau's Regulation C (12 CFR part 1003) implements HMDA. The purpose of the information collection is:

- To help determine whether financial institutions are serving the housing needs of their communities;
- To assist public officials in distributing public-sector investment so as to attract private investment to areas where it is needed; and
- To assist in identifying possible discriminatory lending patterns and enforcing antidiscrimination statutes.
