If you are deaf or hard of hearing, or have a speech disability, please dial 7-1-1 to access telecommunications relay services.

SUPPLEMENTARY INFORMATION: The Pension Benefit Guaranty Corporation (PBGC) is requesting that the Office of Management and Budget (OMB) extend its approval under the Paperwork Reduction Act of a collection of information on Annual Reporting (OMB control number 1212-0057, expires March 31, 2026). This notice informs the public of PBGC's request and solicits public comment on the collection of information.

Annual reporting to the Internal Revenue Service (IRS), the Employee Benefits Security Administration (EBSA), and PBGC is required by law for most employee benefit plans. For example, section 4065 of the Employee Retirement Income Security Act of 1974 (ERISA) requires annual reporting to PBGC for pension plans covered by title IV of ERISA. To accommodate these filing requirements, IRS, EBSA, and PBGC have jointly promulgated the Form 5500 Series, which includes the Form 5500 Annual Return/Report of Employee Benefit Plan and the Form 5500-SF Short Form Annual Return/Report of Small Employee Benefit Plan.

The existing collection of information is approved through March 31, 2026, under OMB control number 1212-0057. On August 4, 2025, PBGC published in the **Federal Register** (at 90 FR 36455) a notice informing the public of its intent to request an extension of this collection of information. PBGC received one comment in support of the collection of

information in response to the notice. PBGC is requesting that OMB extend approval of the collection for 3 years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The annual burden estimates have been revised since publication of the 60-day notice (at 90 FR 36455) to reflect updated estimates regarding the number of required filers and the time per response. In that notice, PBGC estimated there would be 25,000 defined benefit pension plans required to file the Form 5500 and Form 5500-SF and explained that the total annual time burden attributable to PBGC, as estimated by the Department of Labor's (DOL) cost allocation model, would be 15,089 hours. PBGC now estimates that approximately 24,000 defined benefit pension plans will be required to file Form 5500 and Form 5500-SF per year under this collection of information for the 2025 Form 5500 Series. In addition, under the DOL cost allocation model, the total annual burden of this collection of information for the Form 5500 Series, attributable to PBGC will be 15,518 hours. As stated in the 60-day notice, there will be no cost burden on the public.

Joseph Krettek,

Assistant General Counsel, Pension Benefit Guaranty Corporation.
