Title: OCC Supplier Registration Form.

OMB Control No.: 1557-0316.

Type of Review: Regular.

Affected Public: Businesses or other for-profit.

Description: The OCC Supplier Registration Form is used to update and enhance an internal database of entities interested in doing business with the agency. This collection of information from interested suppliers facilitates early market research by allowing businesses to provide specific information to the OCC about capabilities that meet the OCC's needs and in specific purchasing areas.

The collection also allows the OCC to build a robust internal database of interested small businesses. In collaboration with the U.S. Department of the Treasury and U.S. Small Business Administration, the OCC establishes annual small business contracting goals. This collection helps ensure the maximum participation of small business concerns in the OCC's procurement process.

The OCC is revising the Supplier Registration Form by changing the format of the business classification information requested on the form; however, this revision will not impact the ability of suppliers to provide business classification information or otherwise continue submitting expressions of interest in doing business with the agency.
