Ceramic Tile From the People's Republic of China: Continuation of Antidumping Duty and Countervailing Duty Orders

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: As a result of the determinations by the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission (ITC) that revocation of the antidumping duty (AD) and countervailing duty (CVD) orders on ceramic tile from the People's Republic of China (China) would likely lead to the continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, Commerce is publishing a notice of continuation of these AD and CVD orders.

DATES: Applicable February 20, 2026.

FOR FURTHER INFORMATION CONTACT: Juliana Kogan or Catherine Bertrand, Trade Agreements Policy and Negotiations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-0966, or (202) 482-3207, respectively.

SUPPLEMENTARY INFORMATION:

Background

On June 1, 2020, Commerce published in the *Federal Register* the AD and CVD orders on ceramic tile from China.¹ On May 1, 2025, the ITC instituted,² and Commerce initiated,³ the first sunset reviews of the *Orders*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act). As a result of its reviews, Commerce determined that revocation of the *Orders* would likely lead to the continuation or recurrence of dumping, countervailable subsidies, and therefore, notified the ITC of the magnitude of the margins of dumping and subsidy rates likely to prevail should the *Orders* be revoked.⁴

On February 20, 2026, the ITC published its determination, pursuant to sections 751(c) and 752(a) of the Act, that revocation of the *Orders* would likely lead to continuation or recurrence of material injury to an industry in the United States within a reasonably foreseeable time.⁵

Scope of the Order

The merchandise covered by the *Orders* is ceramic flooring tile, wall tile, paving tile, hearth tile, porcelain tile, mosaic tile, flags, finishing tile, and the like (hereinafter ceramic tile). Ceramic tiles are articles containing a mixture of minerals including clay (generally hydrous silicates of alumina or magnesium) that are fired so the raw materials are fused to produce a finished good that is less than 3.2 cm in actual thickness. All ceramic tile is subject to the scope regardless of end use, surface area, and weight, regardless of whether the tile is glazed or unglazed, regardless of the water absorption coefficient by weight, regardless of the extent of vitrification, and regardless of whether or not the tile is on a backing. Subject merchandise includes ceramic tile with decorative features that may in spots exceed 3.2 cm in thickness and includes ceramic tile "slabs" or "panels" (tiles that are larger than 1 meter² (11 ft.²)).

Subject merchandise includes ceramic tile that undergoes minor processing in a third country prior to importation into the United States. Similarly, subject merchandise includes ceramic tile produced that undergoes minor processing after importation into the United States. Such minor processing includes, but is not limited to, one or more of the following: Beveling, cutting, trimming, staining, painting, polishing, finishing, additional firing, or any other processing that would otherwise not remove the merchandise from the scope of the *Orders* if performed in the country of manufacture of the in-scope product.

Subject merchandise is currently classified in the Harmonized Tariff Schedule of the United States (HTSUS) under the following subheadings of heading 6907: 6907.21.1005, 6907.21.1011, 6907.21.1051, 6907.21.2000, 6907.21.3000, 6907.21.4000, 6907.21.9011, 6907.21.9051, 6907.22.1005, 6907.22.1011, 6907.22.1051,

Subject merchandise may also enter under subheadings of headings 6914 and 6905: 6914.10.8000, 6914.90.8000, 6905.10.0000, and 6905.90.0050. The HTSUS subheadings are provided for convenience and customs purposes only. The written description of the scope of the *Orders* is dispositive.

Continuation of the Orders

As a result of the determinations by Commerce and the ITC that revocation of the *Orders* would likely lead to continuation or recurrence of dumping, countervailable subsidies, and material injury to an industry in the United States, pursuant to section 751(d)(2) of the Act, Commerce hereby orders the continuation of the *Orders*. U.S. Customs and Border Protection will continue to collect AD and CVD cash deposits at the rates in effect at the time of entry for all imports of subject merchandise.

The effective date of the continuation of the *Orders* will be February 20, 2026.⁶ Pursuant to section 751(c)(2) of the Act and 19 CFR 351.218(c)(2), Commerce intends to initiate the next five-year reviews of the *Orders* not later than 30 days prior to fifth anniversary of the date of the last determination by the ITC.

Administrative Protective Order (APO)

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Notification to Interested Parties

These five-year (sunset) reviews and this notice are in accordance with sections 751(c) and 751(d)(2) of the Act and published in accordance with section 777(i) of the Act, and 19 CFR 351.218(f)(4).

Dated: February 25, 2026.

Scot Fullerton,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Agency Information Collection Activities; Submission to the Office of Management and Budget (OMB) for Review and Approval; Comment Request; Inclusions to the Section 232 National Security Adjustments to Automobile Parts Imports

The Department of Commerce will submit the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995, on or after the date of publication of this notice. We invite the general public and other Federal agencies to comment on proposed, and continuing information collections, which helps us assess the impact of our information collection requirements and minimize the public's reporting burden. Public comments were previously requested via the **Federal Register** on December 23, 2025, during a 60-day comment period. This notice allows for an additional 30 days for public comments.

Agency: International Trade Administration, Department of Commerce.

Title: Inclusions to the Section 232 National Security Adjustments to Automobile Parts Imports.

OMB Control Number: 0625-0284.

Form Number(s): None.

Type of Request: Regular submission, reinstatement without change.

Number of Respondents: 200.

Average Hours per Response: 8 hours.

Burden Hours: 1,600.

Needs and Uses: On March 26, 2025, the President issued Proclamation 10908, "Adjusting Imports of Automobiles and Automobile Parts Into the United States," 90 FR 14705 (April 3, 2025) (Automobile Proclamation), which finds that imports of automobiles and certain automobile parts continue to threaten to impair the national security

of the United States and imposes specified tariffs to adjust imports of automobiles and certain automobile parts so that such imports will not threaten to impair national security pursuant to Section 232 of the Trade Expansion Act of 1962 ("Section 232"). Section 232 authorizes the President to adjust the imports of an article and its derivatives that are being imported into the United States in such quantities or under such circumstances as to threaten to impair the national security of the United States so that such imports will not threaten to impair national security. The Automobile Proclamation imposed a 25 percent tariff on certain imports of automobiles, effective April 3, 2025, and certain imports of automobile parts, effective May 3, 2025.

The Automobile Proclamation also required the Secretary of Commerce (Secretary) to establish a process for including additional automobile parts articles within the scope of the tariffs imposed by the President in the Automobile Proclamation. In addition to inclusions made by the Secretary, the process is to provide for including additional automobile parts articles at the request of a domestic producer of an automobile or automobile parts article, or an industry association representing one or more such producers, where the request establishes that imports of additional automobile parts articles have increased in a manner that threatens to impair the national security or otherwise undermines the objectives set forth in Proclamation 9888 (84 FR 23433, May 17, 2019), the Automobile Proclamation, or in any proclamation issued under Section 232 of the Trade Expansion Act of 1962, as amended (Section 232) or any additional information submitted to the President by the Secretary pursuant to those proclamations.

Proclamation 10984 of October 17, 2025, "Adjusting Imports of Medium- and Heavy-Duty Vehicles, Medium- and Heavy-Duty Vehicle Parts, and Buses Into the United States," (Proclamation 10984) took similar action to address the threat imports of Medium- and Heavy-Duty Vehicles (MHDV) and Medium- and Heavy-Duty Vehicle Parts (MHDVPs) pose to the national security of the United States; that Proclamation also amended the inclusion rules established by Proclamation 10925 to include MHDVs, MHDVPs, and buses.

When the Secretary receives such a request from a domestic producer or industry association, the Secretary, after consultation with the United States International Trade Commission and U.S. Customs and Border Protection, is to issue a determination regarding
