

States. Information collected under these subparts is used for valuing oil and gas, calculating and allocating transportation and processing allowances, determining location and quality differentials, and allocating residue gas and gas plant products to leases. See §§ 1206.102, 1206.108, 1206.110, 1206.113, 1206.141, 1206.142, 1206.148, 1206.150, 1206.152 to 1206.154, 1206.160, and 1206.161.

Some information collected under parts 1202 and 1206 is submitted on form ONRR–2014 (Report of Sales and Royalty Remittance). This ICR does not include burden hours for submitting information on form ONRR–2014 because those burden hours are addressed in ONRR’s ICR 1012–0004 (Royalty and Production Reporting). See Agency Information Collection Activities; Royalty and Production Reporting, 87 FR 36068 (July 31, 2025).

(c) Accounting and Auditing Relief for Marginal Properties

ONRR’s regulations, at 30 CFR part 1204, allow ONRR or a State that receives a statutorily prescribed portion of the royalties from a Federal lease to grant certain relief for marginal properties. This relief includes allowing a lessee to make a lump-sum advance payment of royalties instead of monthly royalty payments and various accounting and auditing relief options. See 30 CFR 1204.3. Lessees must submit information to ONRR for this relief. See §§ 1204.202, 1204.203, 1204.205, 1204.206, and 1204.209 through 1204.211.

(d) Requests To Exceed Allowance Limits

Title 30 CFR part 1206—Product Valuation, subparts C and D, prior to their amendment effective January 1, 2017, permitted a Federal oil and gas lessee to request to exceed certain caps that ONRR’s regulations placed on transportation and processing allowances by filing form ONRR–4393 (Request to Exceed Regulatory Allowance Limitation), with supporting documentation. See §§ 1206.109(c)(2), 1206.153(c)(3), and 1206.158(c)(3). Subject to the statute of limitations, a lessee may file this form to request to exceed the caps for oil and gas produced prior to January 1, 2017. ONRR revised the form’s general instructions to align with current regulations and to update the mailstop number.

This ICR does not include burden hours for submitting information on form ONRR–4393 for Indian leases because those burden hours are addressed in ONRR’s ICR 1012–0002 (Indian Oil and Gas Valuation).
