Additionally, the agency follows similar member selection procedures for the agency's non-FACA committee.

CFTC staff would use the information collected to determine the experience and expertise of potential advisory committee and subcommittee members, ensure that the membership on a committee or subcommittee is balanced, and ensure that committee and subcommittee members are properly designated as representatives or special government employees.

The CFTC seeks to collect the following information: Information that supports an individual's experience and expertise to serve on an advisory committee or subcommittee, including letters of interest, recommendation letters, nomination letters (including self-nominations), resumes, curriculum vitae or other similar biographical information documents. Additionally, information that ensures membership balance (e.g., represented viewpoint category) and appropriate designation of an individual as either a representative or special government employee.

With respect to the collection of information, the CFTC invites comments on:

- Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information will have a practical use;
- The accuracy of the Commission's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Ways to enhance the quality, usefulness, and clarity of the information to be collected; and
- Ways to minimize the burden of collection of information on those who are to respond, including through the use of appropriate automated electronic, mechanical, or other technological collection techniques or other forms of information technology; e.g., permitting electronic submission of responses.

You should submit only information that you wish to make available publicly. If you wish the Commission to consider information that you believe is

exempt from disclosure under the Freedom of Information Act, a petition for confidential treatment of the exempt information may be submitted according to the procedures established in § 145.9 of the Commission's regulations.⁴
