Article 8. Civil Liability

26–8–101. Interpretation.

(1) The Tribal Council hereby finds, determines, and declares that this section shall be interpreted so that any common law cause of action against a vendor of alcoholic beverages is abolished and that, in certain cases, the consumption of alcoholic beverages, rather than the sale, service, or provision thereof, is the proximate cause of injuries or damages inflicted upon another by an intoxicated person except as otherwise provided in this section.

(2) Civil Liability for Licensees.

(a) No licensee is civilly liable to any injured individual or his or her estate for any injury to such individual or damage to any property due to the sale or service of any alcoholic beverage to any person, except when:

(i) it is proven that the licensee willfully and knowingly sold or served any alcoholic beverage to such person who was under the age of 21 years or who was visibly intoxicated; and

(ii) the civil action is commenced within one year after such sale or service.

(a) No civil action may be brought pursuant to this subsection by the person to whom the alcoholic beverage was sold or served or by his or her estate, legal guardian, or dependent.

(b) As used in this section, “licensee” means a person licensed under the provisions of this Code and the agents and employees of that person.

(3) Civil Liability for Private Social Events.

(a) No person who furnishes any alcoholic beverage at a private social event shall be civilly liable to any injured individual or his or her estate for any injury to such individual or damage to any property suffered, including any action for wrongful death, because of the intoxication of any person due to the consumption of such alcoholic beverages, except when:

(i) it is proven that the person who furnished an alcoholic beverage at a private social event willfully and knowingly sold or served any alcoholic beverage to such person who was under the age of 21 years or who was visibly intoxicated; and

(ii) the civil action is commenced within one year after such service.

(b) No civil action may be brought pursuant to this subsection by the person to whom the alcoholic beverage was served or

by his or her estate, legal guardian, or dependent.

When contract negotiations are completed, and prior to execution, each proposed contract form must be approved by the Secretary of the Interior, or pursuant to delegated or redelegated authority, the Commissioner of Reclamation or one of the regional directors. In some instances, congressional review and approval of a report, water rate, or other terms and conditions of the contract may be involved.

6. Copies of specific proposed contracts may be obtained from the appropriate regional director or his or her designated public contact as they become available for review and comment.
7. In the event modifications are made in the form of a proposed contract, the appropriate regional director shall determine whether republication of the notice and/or extension of the comment period is necessary.

Factors considered in making such a determination shall include, but are not

limited to, (i) the significance of the modification, and (ii) the degree of public interest which has been expressed over the course of the negotiations. At a minimum, the regional director will furnish revised contracts to all parties who requested the contract in response to the initial public notice.
