SUPPLEMENTARY INFORMATION:

I. Background

The Longshore and Harbor Workers' Compensation Act requires covered employers to secure the payment of compensation under the Act and its extensions by purchasing insurance from a carrier authorized by the Secretary of Labor to write Longshore Act insurance, or by becoming an authorized self-insured employer (33 U.S.C. 901, 20 CFR 703.209, 20 CFR 703.210, 20 CFR 703.203, 20 CFR 703.303, 20 CFR 703.205, 20 CFR 703.204, 20 CFR 703.212, 20 CFR 703.304). Each authorized insurance carrier (or carrier seeking authorization) is required to establish annually that its Longshore Act obligations are fully secured either through an applicable state guaranty (or analogous) fund, a deposit of security with the Division of Longshore and Harbor Workers' Compensation (DLHWC), or a combination of both. Similarly, each authorized self-insurer (or employer seeking authorization) is required to fully secure its Longshore Act obligations by depositing security with DLHWC. These requirements are designed to assure the prompt and continued payment of compensation and other benefits by the responsible carrier or self-insurer to injured workers and their survivors.
