**Analysis of Comments Received**

All issues raised by the interested parties in their case and rebuttal briefs are addressed in the Issues and Decision Memorandum. A list of topics discussed in the Issues and Decision Memorandum is provided in the appendix to this notice.

**Changes Since the Preliminary Results**

Based on our analysis of comments from interested parties, we made no changes to MALCO’s countervailable subsidy rate calculations from the *Preliminary Results*.<sup>6</sup>

**Methodology**

Commerce conducted this administrative review in accordance with section 751(a)(1)(A) of the Tariff Act of 1930, as amended (the Act). For each of the subsidy programs found countervailable, we find that there is a subsidy, *i.e.*, a government-provided financial contribution that gives rise to a benefit to the recipient, and that the subsidy is specific.<sup>7</sup> For a full description of the methodology underlying all of Commerce’s conclusions, see the Issues and Decision Memorandum.

**Final Results of Administrative Review**

As a result of this review, Commerce determines the following net countervailable subsidy rate exists for the period January 1, 2023 through December 31, 2023:

Company	Subsidy rate (percent <i>ad valorem</i> )
Manaksia Aluminum Company Limited .....	3.10

**Disclosure**

Commerce intends to disclose the calculations performed for these final results of review within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of this notice

<sup>6</sup> For a full description of this analysis, see the Issues and Decision Memorandum.

in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Act and 19 CFR 351.212(b)(2), Commerce has determined, and U.S. Customs and Border Protection (CBP) shall assess, countervailing duties on all appropriate entries of subject merchandise in accordance with the final results of this review, for MALCO at the applicable *ad valorem* assessment rate listed. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Requirements**

In accordance with section 751(a)(1) of the Act, Commerce intends to instruct CBP to collect cash deposits of estimated countervailing duties in the amounts shown above for MALCO on shipments of the subject merchandise entered or withdrawn from warehouse for consumption on or after the date of publication of the final results of this administrative review. For all non-reviewed firms, we will instruct CBP to continue to collect cash deposits of estimated countervailing duties at the all-others rate or most recent company-specific rate applicable to the company, as appropriate. These cash deposit requirements, effective upon publication of these final results, shall remain in effect until further notice.

**Administrative Protective Order**

This notice also serves as the final reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. **SUPPLEMENTARY INFORMATION:****Background**

On December 26, 2024, Commerce published in the **Federal Register** the CVD order on shrimp from Ecuador.<sup>1</sup> On March 6, 2025, in accordance with 19 CFR 351.214(l)(3)(i), Commerce initiated an expedited review of the *Order* for six companies that requested a review.<sup>2</sup> Subsequently, two companies withdrew their requests for a review.<sup>3</sup> The period of review is January 1, 2022, through December 31, 2022.

On August 20, 2025, Commerce extended the deadline for these preliminary results by 118 days.<sup>4</sup> Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.<sup>5</sup> Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>6</sup> Finally, on February 27, 2026, we extended the preliminary results of this expedited review by two days.<sup>7</sup>
