

Dated: March 6, 2026.

**Christopher Abbott,**

*Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.*

**Appendix**

**Scope of the Orders**

The products covered by the Orders are certain multifunctional acrylate and

methacrylate monomers, and acrylated bisphenol-A epoxy based oligomers (collectively, certain monomers and oligomers or CMOs) that are derived from chemical reactions involving the use of acrylic or methacrylic acid. Products within the scope are listed below and have the following Chemical Abstracts Service (CAS) numbers:

CAS No.	Description	Molecular formula
109-16-0	Triethylene glycol dimethacrylate (TEGDMA)	C <sub>14</sub> H <sub>22</sub> O <sub>6</sub>
13048-33-4	1,6-hexanediol diacrylate (HDDA)	C <sub>12</sub> H <sub>18</sub> O <sub>4</sub>
42978-66-5	Tripropylene glycol diacrylate (TPGDA)	C <sub>15</sub> H <sub>24</sub> O <sub>6</sub>
3290-92-4	Trimethylolpropane trimethacrylate (TMPTMA)	C <sub>18</sub> H <sub>26</sub> O <sub>6</sub>
15625-89-5	Trimethylolpropane triacrylate (TMPTA)	C <sub>15</sub> H <sub>20</sub> O <sub>6</sub>
28961-43-5	Ethoxylated trimethylol-propane triacrylate (EOTMPTA)	(C <sub>2</sub> H <sub>4</sub> O) <sub>n</sub> (C <sub>2</sub> H <sub>4</sub> O) <sub>n</sub> (C <sub>2</sub> H <sub>4</sub> O) <sub>n</sub> C <sub>15</sub> H <sub>20</sub> O <sub>6</sub>
57472-68-1	Dipropylene glycol diacrylate (DPGDA)	C <sub>12</sub> H <sub>18</sub> O <sub>5</sub>
55818-57-0	Bisphenol-A-epichlorohydrin copolymer acrylate (EPOXY ACRYLATE)	(C <sub>15</sub> H <sub>16</sub> O <sub>2</sub> .C <sub>3</sub> H <sub>5</sub> ClO) <sub>x</sub> .xC <sub>3</sub> H <sub>4</sub> O <sub>2</sub>

The monomers are generally known as multifunctional acrylates (MFAs) or multifunctional methacrylates (MFMA) depending on whether the functional groups are acrylate or methacrylate. The monomers generally contain stabilizers/inhibitors, which include but are not limited to Hydroquinone, Methyl Hydroquinone, and Butylated Hydroxy Toluene. The monomers are either difunctional or trifunctional (having 2 or 3 functional groups/molecule), have viscosities of 9 to 15 centipoise (cPs) at 25 degrees Celsius (if difunctional) or 44 to 110 cPs at 25 degrees Celsius (if trifunctional), have (meth)acrylate equivalent weights (molecular weight per number of functional groups) between 99 and 158 and molecular weights between 226 and 472 grams per mol.

The acrylated bisphenol-A epoxy based oligomer is commonly referred to as epoxy acrylate or acrylated epoxy. In contrast to epoxy resin, the main characteristic of the epoxy acrylate oligomer is that it contains acrylate functional groups which make them curable by free-radical polymerization. The epoxy acrylate has a molecular weight between 508 to 536 grams per mol and a viscosity of 2400 to 3600 cPs at 65 degrees Celsius. The epoxy acrylate generally contains stabilizers/inhibitors, which include but are not limited to Hydroquinone, Methyl Hydroquinone, and Butylated Hydroxy Toluene.

Certain monomers and oligomers are subject to the scope even if an in-scope monomer or oligomer is blended or mixed with one or more other in-scope monomers or oligomers.

Certain monomers and oligomers in any blend or mixture are also subject to the scope, so long as the blend or mixture contains no less than 20 percent by weight of in-scope CMOs.

The scope includes merchandise matching the above description that has been processed in a third country, including by commingling, diluting, introducing, or removing ingredients, or performing any other processing that would not otherwise remove the merchandise from the scope of

the investigation if performed in the subject country.

The scope also includes CMOs that are commingled, mixed or blended with in-scope product from sources not subject to the Order.

Only the subject component(s) of such blends, mixtures or commingled products described above is covered by the scope of the Orders. Subject merchandise contained in a blended, mixed or commingled product described above will not have undergone a chemical reaction as a result of being blended, mixed or commingled.

Notwithstanding the above, specifically excluded from the scope are downstream products, including but not limited to, inks, coatings and overprint varnishes. For purposes of this exclusion, the downstream product requires only the application of energy to be cured, e.g., inks or varnish applied to packaging, coatings applied to wood flooring, etc. The energy source required to cure the downstream product to its substrate can be thermal, ultraviolet radiation, visible light, electron beam radiation, or infrared radiation.

This merchandise is currently classifiable under Harmonized Tariff Schedule of the United States (HTSUS) subheadings 2916.12.5050, 2916.14.2050, 3824.99.2900, 3907.29.0000, and 3907.30.0000. Subject merchandise may also be entered under subheadings 2916.12.1000 and 3824.99.9397. The HTSUS subheadings and CAS registry numbers are provided for convenience and customs purposes only; the written description of the scope is dispositive.

**Chlorinated Isocyanurates From the People's Republic of China: Final Results of Antidumping Duty Administrative Review; 2023-2024**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The U.S. Department of Commerce (Commerce) determines that chlorinated isocyanurates from the People's Republic of China (China) was sold in the United States at less than normal value during the period of review (POR) June 1, 2023, through May 3, 2024.

**DATES:** Applicable March 11, 2026.

**FOR FURTHER INFORMATION CONTACT:** Dan Alexander, AD/CVD Operations, Office OII, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4313.

**SUPPLEMENTARY INFORMATION:**

**Background**

On October 3, 2025, Commerce published the *Preliminary Results* in the **Federal Register** and invited interested parties to comment.<sup>1</sup>

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled

<sup>1</sup> See *Chlorinated Isocyanurates from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review; 2023-2024*, 90 FR 48032 (October 3, 2025) (*Preliminary Results*), and accompanying Preliminary Decision Memorandum (PDM).

all deadlines in administrative proceedings by 47 days.<sup>2</sup> Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.<sup>3</sup> Accordingly, the deadline for this final determination is now April 7, 2026.

For a complete description of the events that followed the *Preliminary Results*, as well as a full discussion of the issues raised by parties for this final determination, see the Issues and Decision Memorandum.<sup>4</sup> The Issues and Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <http://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

**Scope of the Order**<sup>5</sup>

The products covered by the *Order* are chlorinated isocyanurates from China. For a complete description of the scope of the *Order*, see the Issues and Decision Memorandum.

**Analysis of Comments Received**

The issues raised in the case and rebuttal briefs submitted by interested parties in this administrative review are addressed in the Issues and Decision Memorandum. A list of the issues addressed in the Issues and Decision Memorandum is attached to this notice as the Appendix.

**Changes Since the Preliminary Results**

Based on a review of the record and our analysis of the comments received from interested parties regarding the *Preliminary Results*, Commerce made certain changes to the preliminary weighted-average dumping margin calculations for mandatory respondents

Heze Huayi Chemical Co. Ltd. and Juancheng Kangtai Chemical Co. Ltd. for the final results. For further details on the changes made since the *Preliminary Results*, see the Issues and Decision Memorandum.

**China-Wide Entity**

As noted in the *Preliminary Results*, in accordance with Commerce's policy, the China-wide entity is not under review because no party specifically requested, and Commerce did not self-initiate, a review of the China-wide entity.<sup>6</sup> Thus, the China-wide entity's dumping margin, *i.e.*, 285.63 percent, is not subject to change as a result of this administrative review.

**Final Results of Administrative Review**

Commerce determines the following estimated weighted-average dumping margins for the companies listed below for the period June 1, 2023, through May 31, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
Heze Huayi Chemical Co. Ltd ....	39.87
Juancheng Kangtai Chemical Co. Ltd .....	30.24

**Disclosure**

Commerce intends to disclose the calculations performed for these final results of review within five days of the date of publication of this notice in the **Federal Register**, in accordance with 19 CFR 351.224(b).

**Assessment Rates**

Pursuant to section 751(a)(2)(C) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.212(b), Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For any individually examined respondents whose weighted-average dumping margin is above *de minimis*, we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of antidumping duties calculated for the examined sales to the total entered value of the examined sales to that importer, and we will instruct CBP to assess antidumping duties on all appropriate entries covered by this. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR

351.106(c)(1), or an importer-specific assessment rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this administrative review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

**Cash Deposit Requirements**

The following cash deposit requirements will be effective for all shipments of subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review in the **Federal Register**, as provided for by section 751(a)(2) of the Act: (1) the cash deposit rate for companies subject to this review will be the rates established in these final results of the review; (2) for merchandise exported by producers or exporters not covered in this review but covered in a prior segment of the proceeding, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) for all China exporters of subject merchandise that do not have a separate rate, the cash deposit rate will be equal to the weighted-average dumping margin assigned to the China-wide entity (*i.e.* 285.63 percent); (4) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

**Administrative Protective Order (APO)**

This notice also serves as a final reminder to parties subject to an APO of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305, which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

<sup>2</sup> See Memorandum, "Deadlines Affected by the Shutdown of the Federal Government," dated November 14, 2025.

<sup>3</sup> See Memorandum, "Tolling of all Case Deadlines," dated November 24, 2025.

<sup>4</sup> See Memorandum, "Issues and Decision Memorandum for the Final Results in the Antidumping Duty Administrative Review of Chlorinated Isocyanurates from the People's Republic of China; 2023–2024," dated concurrently with, and hereby adopted by, this notice (Issues and Decision Memorandum).

<sup>5</sup> See *Notice of Antidumping Duty Order: Chlorinated Isocyanurates from the People's Republic of China*, 70 FR 36561 (June 24, 2005) (*Order*).

<sup>6</sup> See *Preliminary Results* at 7.

### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties has occurred and the subsequent assessment of double antidumping duties.

### Notification to Interested Parties

This determination is issued and published pursuant to sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221.

Dated: March 6, 2026.

### International Trade Administration

#### North American Free Trade Agreement (NAFTA), Article 1904; Binational Panel Review: Notice of Panel Decision

**AGENCY:** United States Section, NAFTA Secretariat, International Trade Administration, Department of Commerce.

**ACTION:** Notice of Panel Decision.

**SUMMARY:** On March 6, 2026, the Binational Panel issued its Decision on the Redetermination on Remand in the matter of Certain Softwood Lumber Products from Canada: Final Affirmative Countervailing Duty Determination

(Secretariat File Number: USA-CDA-2017-1904-02). The Binational Panel affirmed in part and remanded in part the Department of Commerce's Redetermination on Remand.

#### FOR FURTHER INFORMATION CONTACT:

Vidya Desai, United States Secretary, NAFTA Secretariat, Room 2061, 1401 Constitution Avenue NW, Washington, DC 20230, (202) 482-2311.

**SUPPLEMENTARY INFORMATION:** Chapter 19 of Article 1904 of NAFTA provides a dispute settlement mechanism involving trade remedy determinations issued by the Government of the United States, the Government of Canada, and the Government of Mexico. Following a Request for Panel Review, a Binational Panel is composed to provide judicial review of the trade remedy determination being challenged and then issue a binding Panel Decision. There are established *Rules of Procedure for Article 1904 Binational Panel Reviews*, which were adopted by the three governments for panels requested pursuant to Article 1904(2) of NAFTA. The notice of this Binational Panel's Decision is being published pursuant to Rule 70. For the complete Rules, please see [https://can-mex-usa-sec.org/secretariat/agreement-accord-acuerdo/nafta-alena-tlcan/rules-regles-reglas/article-article-articulo\\_1904.aspx?lang=eng](https://can-mex-usa-sec.org/secretariat/agreement-accord-acuerdo/nafta-alena-tlcan/rules-regles-reglas/article-article-articulo_1904.aspx?lang=eng).

Dated: March 6, 2026.

### National Oceanic and Atmospheric Administration

[RTID 0648-XF548]

#### Takes of Marine Mammals Incidental to Specified Activities; Taking Marine Mammals Incidental to Eareckson Air Station Fuel Pier Repair in Alcan Harbor on Shemya Island, Alaska

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice; request for comments on proposed renewal incidental harassment authorization.

**SUMMARY:** NMFS received a request from the U.S. Army Corps of Engineers (USACE) on behalf of the United States Air Force Pacific Air Forces Regional Support Center (USAF) for the renewal of their currently active incidental

harassment authorization (IHA) to take marine mammals incidental to the Eareckson Air Station Fuel Pier Repair Project in Alcan Harbor on Shemya Island, Alaska. USAF's activities are nearly identical to those covered in the current authorization and will not be completed prior to the IHA's expiration. Pursuant to the Marine Mammal Protection Act (MMPA), prior to issuing the currently active IHA, NMFS requested comments on both the proposed IHA and the potential for renewing the initial authorization if certain requirements were satisfied. The renewal requirements have been satisfied, and NMFS is now providing an additional 15-day comment period to allow for any additional comments on the proposed renewal not previously provided during the initial 30-day comment period.

**DATES:** Comments and information must be received no later than March 26, 2026.

**ADDRESSES:** Comments should be addressed to the Permits and Conservation Division, Office of Protected Resources, National Marine Fisheries Service, and should be submitted via email to [ITP.fleming@noaa.gov](mailto:ITP.fleming@noaa.gov). Electronic copies of the original application, renewal request, and supporting documents (including NMFS' **Federal Register** notices of the original proposed and final authorizations, and the previous IHA), as well as a list of the references cited in this document, may be obtained online at: <https://www.fisheries.noaa.gov/permit/incidental-take-authorizations-under-marine-mammal-protection-act>. In case of problems accessing these documents, please call the contact listed below.

**Instructions:** NMFS is not responsible for comments sent by any other method, to any other address or individual, or received after the end of the comment period. Comments, including all attachments, must not exceed a 25-megabyte file size. All comments received are a part of the public record and will generally be posted online at <https://www.fisheries.noaa.gov/permit/incidental-take-authorizations-under-marine-mammal-protection-act> without change. All personal identifying information (e.g., name, address) voluntarily submitted by the commenter may be publicly accessible. Do not submit confidential business information or otherwise sensitive or protected information.

**FOR FURTHER INFORMATION CONTACT:** Kate Fleming, Office of Protected Resources, NMFS, (301) 427-8401.

**SUPPLEMENTARY INFORMATION:**
