SUPPLEMENTARY INFORMATION:

I. Background

The Contract Work Hours and Safety Standards Act (Construction Safety Act (CSA)) (40 U.S.C. 3701 *et seq.*) requires the Secretary of Labor (Secretary) to consult with ACCSH in formulating standards under the CSA.

ACCSH operates in accordance with the Federal Advisory Committee Act (FACA), as amended (5 U.S.C. 1001, *et seq.*), and its implementing regulations (41 CFR 102-3 *et seq.*).

II. Appointment of Committee Members

ACCSH consists of nine representative members appointed by the Secretary (40 U.S.C. 3704(d)(2)). The Secretary appoints one of the nine representative members to serve as the Committee Chair (40 U.S.C. 3704(d)(3)). The composition of ACCSH is as follows:

- Three members who are individuals representative of contractors to whom the CSA applies (referred to as "Employer" representatives below);
- Three members who are individuals representative of employees primarily in the building trades and construction industry engaged in carrying out contracts to which the CSA applies (referred to as "Employee" representatives below); and
- Three members who are public representatives selected on the basis of their professional and technical competence and experience in the construction health and safety field. (40 U.S.C. 3704(d)(2)(A)-(C)).

ACCSH members generally serve two-year terms, unless the member becomes unable to serve, resigns, or ceases to be qualified to serve, or the Secretary exercises discretion to remove a member (29 CFR 1912.12(a)). The Committee generally meets two to four times per calendar year. All Committee meetings are open to the public, and public participation is encouraged.

In order to ensure that ACCSH membership is fairly balanced and capable of achieving the greatest impact, scope, and credibility among stakeholders, OSHA invited interested parties to provide submissions for ACCSH membership through an FRN (89 FR 93667, 11/29/2024).¹ The membership solicitation was also announced through an OSHA Trade News Release and direct communication with industry stakeholders.

Consistent with the candidate identification strategy outlined in the FRN, the Department reviewed candidates submitted in response to the above solicitation along with other qualified individuals. Then, the Secretary appointed members on the basis of their experience, knowledge, and competence in the field of occupational safety and health, particularly as it pertains to the construction industry, as well as the other qualifications outlined in the CSA. The ACCSH membership is as follows:

Employer Representatives

- Matthew Lashley, Higgins Group Inc.;
- Robert Lilley, Greenwood Industries, Inc. (ACCSH Chair); and
- Todd Smith, BCS Concrete Structures.

Employee Representatives

- Glenn Minyard, International Union of Operating Engineers, Local 150;
- George Samuelsen, Jr., Laborers Local 172; and
- Eugene Sicard, International Brotherhood of Electrical Workers, Local 304.

Public Representatives

- Vince Hundley, SMART Safety Group;
- Jordan Kozub, FallTech; and
- Robert Lahey, Chicagoland Construction Safety Council.

III. Meetings

ACCSH Meeting

ACCSH will meet virtually from 1:00 p.m. to 5:00 p.m., ET, Tuesday March 31, 2026, and from 9:00 a.m. to 5:00 p.m., ET, Wednesday April 1, 2026. The meetings are open to the public.

Meeting agenda: The agenda for this meeting includes:

- Opening remarks from OSHA;

¹ Because this FRN was published before OSHA determined that it was appropriate to revoke the procedural ACCSH regulations, it requested nominations for fifteen positions, rather than the nine positions contemplated in this memorandum. See 90 FR 27996, 7/1/2025 for more information on the changes to OSHA's regulations.

- Briefing on several rulemakings at the post-Notice of Proposed Rulemaking stage including medical evaluation requirements in respiratory protection and specific chemical rules published in the July 1, 2025, **Federal Register** found at <https://www.federalregister.gov/documents/2025/07/01#occupational-safety-and-health-administration>;

- Briefing on a Notice of Proposed Rulemaking amending the Rapid REDON Fit-Testing Protocol found at <https://www.reginfo.gov/public/do/eAgendaViewRule?pubId=202404&RIN=1218-AD46>; and

- Committee recommendations to the Secretary.

Additional information and updates related to this agenda will be posted to the ACCSH website, <https://www.osha.gov/advisorycommittee/acssh>, ahead of the meeting.

IV. Meeting Information

The ACCSH meeting will be virtual only, so both Committee members and the public will attend virtually. OSHA is not requiring registration to attend this meeting. Meeting information will be posted in the docket (Docket No. OSHA–2025–0001) and on the ACCSH website, <https://www.osha.gov/advisorycommittee/acssh>, prior to the meeting.
