AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.
SUMMARY: The U.S. Department of Commerce (Commerce) preliminarily finds that the single entity comprising Zhejiang Sanmei Chemical Industry Co., Ltd. Jiangsu Sanmei Chemicals Co., Ltd.; and Fujian Qingliu Dongying Chemical Ind. Co. Ltd (collectively, Sanmei), the only mandatory respondent in this administrative review of the antidumping duty (AD) order on 1,1,1,2-Tetrafluoroethane (R-134a) from the People’s Republic of China (China) covering the period of review (POR) April 1, 2024, through March 31, 2025, and 23 additional companies under review are not eligible to receive a separate rate and are, therefore, preliminarily determined to be part of

the China-wide entity. In addition, Commerce is rescinding this review with respect to three companies. Interested parties are invited to comment on these preliminary results of review.

DATES: Applicable March 12, 2026.

SUPPLEMENTARY INFORMATION:
Background

On April 19, 2017, Commerce published in the **Federal Register** the AD order on R-134a from China.¹ On May 20, 2025, Commerce published in the **Federal Register** a notice of initiation of administrative review of the *Order* with respect to 27 exporters.²

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.³ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁴ Accordingly, the

deadline for these preliminary results is now March 9, 2026.

For a complete description of the events that followed the initiation of this review, see the Preliminary Decision Memorandum.⁵ The Preliminary Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Preliminary Decision Memorandum can be accessed directly at <https://access.trade.gov/public/FRNoticesListLayout.aspx>. A list of the topics discussed in the Preliminary Decision Memorandum is attached in Appendix I of this notice.

Scope of the Order⁶

The merchandise covered by the Order is 1,1,1,2-Tetrafluoroethane, R-134a, or its chemical equivalent, regardless of form, type, or purity level. A full description of the scope of the Order is provided in the Preliminary Decision Memorandum.

Partial Rescission of Administrative Review

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an antidumping duty order where it concludes that there were no suspended entries of subject merchandise during the POR.⁷ Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate for the review period.⁸ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated antidumping duty assessment rate for the review period.⁹

⁵ See Memorandum, "Decision Memorandum for the Preliminary Results of Antidumping Duty Administrative Review: R-134a from the People's Republic of China; 2024–2025," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

⁸ See 19 CFR 351.212(b)(1).

⁹ See, e.g., *Shanghai Sunbeauty Trading Co. v. United States*, 380 F.Supp.3d 1328, 1335–36 (CIT 2019), at 12 (referring to section 751(a) of the Act, the CIT held: "While the statute does not explicitly require that an entry be suspended as a prerequisite for establishing entitlement to a review, it does explicitly state the determined rate will be used as the liquidation rate for the reviewed entries. This result can only obtain if the liquidation of entries has been suspended. . . ."; see also *Certain Frozen Fish Fillets from the Socialist Republic of Vietnam: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments;*

On July 8, 2025, we notified parties of our intent to rescind this administrative review, in part, with respect to the three companies identified in Appendix II because there were no reviewable, suspended entries of subject merchandise from these companies during the POR and invited interested parties to comment.¹⁰ No interested party submitted comments. Accordingly, in the absence of any suspended entries of subject merchandise from these three companies during the POR, we are rescinding this administrative review for the companies listed in Appendix II in accordance with 19 CFR 351.213(d)(3).

Separate Rates

On August 14, 2025, Sanmei¹¹ submitted a letter notifying Commerce of its intention to not participate in the administrative review as a mandatory respondent.¹² As discussed in the Preliminary Decision Memorandum, Commerce preliminarily finds that Sanmei did not establish its eligibility for a separate rate because it failed to provide a complete response to Commerce's initial questionnaire. Moreover, none of the other 23 companies remaining under review submitted any evidence of eligibility for separate-rate status. As such, we preliminarily find that the Sanmei single entity and the other 23 companies are part of the China-wide entity.

China-Wide Entity

Commerce's policy regarding conditional review of the China-wide entity applies to this administrative review.¹³ Commerce no longer

¹⁰ See Memorandum, "Notice of Intent to Rescind Review, in Part," dated July 8, 2025.

¹¹ Commerce has previously found Zhejiang Sanmei, Jiangsu Sanmei Chemical Ind. Co., Ltd., and Fujian Qingliu Dongying Chemical Ind. Co. Ltd. to comprise a single entity. See, e.g., *1,1,1,2-Tetrafluoroethane (R-134a) from the People's Republic of China: Final Results of Antidumping Duty Administrative Review and Final Determination of No Shipments; 2021–2022*, 88 FR 60639 (September 5, 2023).

considers the China-wide entity as an exporter conditionally subject to administrative review.¹⁴ Under this policy, the China-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Moreover, as stated above, we preliminarily determine that the Sanmei single entity and 23 other companies under review are not eligible for a separate rate and are part of the China-wide entity because they did not provide the requisite documentation to establish separate-rate eligibility.

Because no party requested a review of the China-wide entity, the entity is not under review, and the entity's rate, *i.e.*, 167.02 percent, is not subject to change.¹⁵ All companies determined to be part of the China-wide entity are listed in Appendix III to this notice.¹⁶

Preliminary Results of Review

Commerce finds all companies for which a review was requested, and which are not being rescinded from the review, to be part of the China-wide entity and subject to the China-wide entity rate of 167.02 percent.

Disclosure

Normally, Commerce discloses to interested parties the calculations performed in preliminary results within five days of any public announcement or, if there is no public announcement, within five days of the date of publication of the notice of preliminary results in the **Federal Register**, in accordance with 19 CFR 351.224(b). However, because Commerce has not performed any calculations for any respondents in this review, there are no calculations to disclose.

Public Comment

Case briefs or other written comments may be submitted to the Assistant Secretary for Enforcement and Compliance. Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of the publication of this notice.¹⁷ Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the

date for filing case briefs.¹⁸ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.¹⁹ All briefs must be filed electronically using ACCESS.²⁰ An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.²¹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final results in this administrative review. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²²

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date of publication of this notice. Hearing requests should contain: (1) the party's name, address and telephone number; (2) the number of participants; (3) whether any participant is a foreign national; and (4) a list of issues to be discussed. Issues raised in the hearing will be limited to those raised in the respective case briefs. If a request for a hearing is made, Commerce will inform interested parties of the scheduled date for the hearing.²³

Final Results of Review

Unless the deadline is extended pursuant to section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce intends to issue the final results of this administrative review, including the results of our analysis of the issues raised in any case briefs, not

later than 120 days after the date of publication of this notice.

Assessment

For the companies listed in Appendix II for which we are rescinding the review, Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction that has expired (*i.e.*, within 90 days of publication).

For the companies listed in Appendix III, upon issuance of the final results of this review, Commerce will determine, and CBP shall assess, antidumping duties on all appropriate entries of subject merchandise covered by this review.²⁴ We intend to instruct CBP to liquidate entries containing subject merchandise exported by the companies under review that we determine in the final results to be part of the China-wide entity at the China-wide entity rate of 167.02 percent. Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

Cash Deposit Requirements

The following cash deposit requirements will be effective for shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) for previously examined exporters for which a review was not requested that received a separate rate in a prior segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific rate published for the most recently-completed segment of this proceeding; (2) for all

Chinese exporters of subject merchandise that have not been found to be entitled to a separate rate, the cash deposit rate will be that for the China-wide entity (*i.e.*, 167.02 percent); and (3) for all non-Chinese exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the Chinese exporter(s) that supplied that non-Chinese exporter. These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4) and 19 CFR 351.221(b)(4).

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

SUMMARY: The U.S. Department of Commerce (Commerce) finds that revocation of the antidumping duty (AD) order on kitchen appliance shelving and racks (kitchen racks) from the People's Republic of China (China) would be likely to lead to continuation or recurrence of dumping at the levels indicated in the "Final Results of Sunset Reviews" section of this notice.

DATES: Applicable March 12, 2026.

SUPPLEMENTARY INFORMATION:

Background

On September 14, 2009, Commerce published the *Order* in the **Federal**

Register.¹ On September 2, 2025, Commerce published the notice of initiation of the third sunset review of the *Order*, pursuant to section 751(c) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.218(C).² On September 16, 2025, Commerce received a timely and complete notice of intent to participate in the sunset review for domestic interested parties within the deadline specified in the 19 CFR 351.218(d)(1)(i).³ The domestic interested parties claimed the interested party status within the meaning of section 771(9)(C) of the Act as manufacturers of the domestic like product in the United States.⁴ On September 29, 2025, Commerce notified the U.S. International Trade Commission (ITC) that it had received a notice of intent to participate from the domestic interested party.⁵

On October 10, 2025, pursuant to 19 CFR 351.218(d)(3)(i), domestic interested parties filed a timely and adequate substantive response.⁶ Commerce did not receive a substantive response from any respondent interested party. On December 8, 2025, Commerce notified the ITC that it did not receive substantive response from any respondent interested parties.⁷ As a result, pursuant to section 751(c)(3)(B) of the Act and 19 CFR 351.218(e)(1)(ii)(C)(2), Commerce is conducting an expedited (120-day) sunset review of the *Order*.

Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁸ Additionally, due to a backlog of documents that were electronically filed via Enforcement and

Scope of the Order

The product covered by these *Order* is kitchen racks from China. For the full description of the scope of the *Orders*, see the Issues and Decisions Memorandum.¹⁰

Analysis of Comments Received

A complete discussion of all issues raised in this sunset review, including the likelihood of continuation or recurrence of dumping in the event of revocation of the *Order* and the magnitude of the margins likely to prevail if the *Order* were to be revoked, is provided in the Issues and Decision Memorandum.¹¹ A list of the topics discussed in the Issues and Decision Memorandum is attached in the appendix to this notice. The Issues and Decision Memorandum is a public document and is on file electronically via ACCESS. ACCESS is available to registered users at <https://access.trade.gov>. In addition, a complete version of the Issues and Decision Memorandum can be directly accessed at <https://access.trade.gov/public/FRNoticesListLayout.aspx>.

Final Results of Sunset Review

Pursuant to sections 751(c)(1), and 752(c)(1) and (3) of the Act, Commerce determines that revocation of the *Order* would be likely to lead to continuation or recurrence of dumping, and that the magnitude of the dumping margins likely to prevail would be weighted-average dumping margins up to 95.99 percent.
