Abstract: The NPS is authorized by section 4 of the National Trails System Act (16 U.S.C. 1243) and Secretarial Order No. 3319 to administer the National Recreation Trail (NRT) program, which establishes National Water Trails (NWT) as a class of National Recreation Trails and directs that such trails collectively be considered in a National Water Trails System.

NPS evaluation of an application is based on (1) the sufficiency of information provided on the application form and in supporting documentation, such as photographs, maps, and written landowner consents that accompany the form, and (2) successfully meeting the NRT requirements and criteria. Successful applications are forwarded to the Secretary of the Interior for approval.
