Order.² On October 17, 2024, Commerce initiated an administrative review of the *Order*, in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act).³ On November 19, 2024, Commerce notified interested parties of its intent to rescind the administrative review with respect to Halima Pipe Company (Halima) and Pusan Pipe America, Inc. (PPA).⁴

On December 9, 2024, Commerce tolled certain deadlines in this administrative proceeding by 90 days.⁵ On July 23, 2025, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce extended the time period for issuing these preliminary results by 107 days.⁶ Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.⁷ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.⁸ Between February 13, and March 2, 2026, in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2), Commerce extended the time period for issuing these preliminary results by an additional 13 days.⁹ Accordingly, the deadline for these preliminary results is now March 9, 2026.

Rescission of Administrative Review, in Part

Pursuant to 19 CFR 351.213(d)(3), it is Commerce's practice to rescind an administrative review of an antidumping duty order where it concludes that there were no suspended entries of subject merchandise during the POR.¹¹ Normally, upon completion of an administrative review, the suspended entries are liquidated at the antidumping duty assessment rate for the review period.¹² Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated antidumping duty assessment rate for the review period.¹³

¹⁰ See Memorandum, "Decision Memorandum for the Preliminary Results of the Administrative Review of the Antidumping Duty Order on Oil Country Tubular Goods from the Socialist Republic of Vietnam; 2023–2024," dated concurrently with, and hereby adopted by, this notice (Preliminary Decision Memorandum).

¹³ See, e.g., *Shanghai Sunbeauty Trading Co. v. United States*, 380 F.Supp.3d 1328, 1337 (CIT 2019), at 12 (referring to section 751(a) of the Act, the U.S. Court of International Trade held that "[w]hile the statute does not explicitly require that an entry be suspended as a prerequisite for establishing entitlement to a review, it does explicitly state the determined rate will be used as the liquidation rate for the reviewed entries. On November 19, 2025, Commerce notified all interested parties of its intent to rescind the instant review regarding Halima and PPA because there were no reviewable, suspended entries of subject merchandise from these companies during the POR and invited interested parties to comment.¹⁴ We received no comments. Therefore, in the absence of suspended entries of subject merchandise during the POR, we are hereby rescinding this administrative review, in part, with respect to Halima and PPA, in accordance with 19 CFR 351.213(d)(3).¹⁵

Vietnam-Wide Entity

Commerce’s policy regarding conditional review of the Vietnam-wide entity applies to this administrative review.¹⁶ Under this policy, the Vietnam-wide entity will not be under review unless a party specifically requests, or Commerce self-initiates, a review of the entity. Because no party requested a review of the Vietnam-wide entity, the entity is not under review, and the entity’s rate of 111.47 percent is not subject to change.

Methodology

Commerce is conducting this review in accordance with sections 751(a)(1)(B) and (2) of the Act. Export price is calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act. For a full description of the methodology underlying these preliminary results, see the Preliminary Decision Memorandum.

Preliminary Results of Review

Commerce preliminarily determines that the following estimated weighted-average dumping margin exists for the period September 1, 2023, through August 31, 2024:

Producer/exporter	Weighted-average dumping margin (percent)
SeAH Steel VINA Corporation ...	12.84

there must be a reviewable, suspended entry to be liquidated at the newly calculated assessment rate”).

Disclosure

Commerce intends to disclose its calculations and analysis performed to interested parties for these preliminary results within five days of any public announcement, or if there is no public announcement, within five days of the date of publication of this notice in accordance with 19 CFR 351.224(b).

Public Comment

Pursuant to 19 CFR 351.309(c)(1)(ii), we have modified the deadline for interested parties to submit case briefs to Commerce to no later than 21 days after the date of publication of this notice. Rebuttal briefs, limited to issues raised in the case briefs, may be filed not later than five days after the date for filing case briefs.¹⁷ Interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) table of contents listing each issue; and (2) a table of authorities.¹⁸ All briefs must be filed electronically using ACCESS. An electronically filed document must be received successfully in its entirety in ACCESS by 5:00 p.m. Eastern Time on the established deadline.

As provided under 19 CFR 351.309(c)(2)(iii) and (d)(2)(iii), we request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.¹⁹ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).²⁰

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing, limited to issues raised in the case and rebuttal briefs, must submit a written request to the Assistant Secretary for Enforcement and Compliance, U.S. Department of Commerce, within 30 days after the date

of publication of this notice. Requests should contain the party’s name, address, and telephone number, the number of participants, whether any participant is a foreign national, and a list of the issues to be discussed. If a request for a hearing is made, Commerce intends to hold the hearing at a time and date to be determined. Parties should confirm by telephone the date, time, and location of the hearing two days before the scheduled date.

Assessment Rates

Upon completion of this administrative review, Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries. If the weighted-average dumping margin for a mandatory respondent is not zero or *de minimis* in the final results of this review, we will calculate an importer-specific assessment rate on the basis of the ratio of the total amount of dumping calculated for each importer’s examined sales and the total entered value of such sales in accordance with 19 CFR 351.212(b)(1).²¹ If the weighted-average dumping margin is zero or *de minimis* in the final results of review, or if an importer-specific assessment rate is zero or *de minimis*, Commerce will instruct CBP to liquidate appropriate entries without regard to antidumping duties.²² For entries of subject merchandise during the POR produced by the respondents for which they did not know its merchandise was destined for the United States, we will instruct CBP to liquidate unreviewed entries pursuant to the reseller policy, *i.e.*, the assessment rate for such entries will be the all-others rate established in the investigation if there is no rate for the intermediate company(ies) involved in the transaction.²³

For the companies rescinded from this review, Halima and PPA, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of this notice in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a

statutory injunction has expired (*i.e.*, within 90 days of publication).

For the mandatory respondent, SeAH Vina, Commerce intends to issue assessment instructions to CBP no earlier than 35 days after the date of publication of the final results of this review in the **Federal Register**. If a timely summons is filed at the U.S. Court of International Trade, the assessment instructions will direct CBP not to liquidate relevant entries until the time for parties to file a request for a statutory injunction has expired (*i.e.*, within 90 days of publication).

The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future cash deposits of estimated antidumping duties, where applicable.²⁴

Pursuant to a refinement to Commerce's assessment practice, where sales of subject merchandise exported by an individually examined respondent were not reported in the U.S. sales data submitted by the respondent, but the merchandise was entered into the United States during the POR, Commerce will instruct CBP to liquidate any entries of such merchandise at the AD assessment rate for the Vietnam-wide entity.²⁵

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication in the **Federal Register** of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication, as provided by section 751(a)(2)(C) of the Act: (1) for the exporters listed above, the cash deposit rate will be equal to the weighted-average dumping margin established in the final results of this review, except if the rate is *de minimis*, in which case the cash deposit rate will be zero; (2) for previously-examined Vietnamese and non-Vietnamese exporters not listed above that at the time of entry are eligible for a separate rate based on a prior completed segment of this proceeding, the cash deposit rate will continue to be the existing exporter-specific cash deposit rate; (3) for all non-Vietnamese exporters of subject merchandise which at the time of entry do not have a separate rate, the cash deposit rate will be the rate applicable to the Vietnamese exporter

that supplied the non-Vietnamese exporter; and (4) for all Vietnamese exporters of subject merchandise that have not been found to be entitled to a separate rate at the time of entry, the cash deposit rate will be that for the Vietnam-wide entity (*i.e.*, 111.47 percent). These cash deposit requirements, when imposed, shall remain in effect until further notice.

Notification to Importers

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

These preliminary results of review are issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.221(b)(4).

Dated: March 9, 2026.

Deputy Assistant Secretary for Policy and Negotiations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.
