

Farm Service Agency

Title: Emergency Relief Program (ERP) Phase 1 and Phase 2.

OMB Control Number: 0560–0309.

Summary of Collection: The agency is requesting a reinstatement with change of a previously approved collection. The Extending Government Funding and Delivering Emergency Assistance Act, (Division B, Title I, Pub. L. 117–43) requires all producers who received an ERP Phase 1 or Phase 2 payment to purchase crop insurance or Noninsured Crop Disaster Assistance Program (NAP) coverage for the next available year(s). To ensure that ERP participants meet this statutory requirement, FSA is verifying compliance using crop insurance participation data on file with the Risk Management Agency (RMA) and NAP participation data on file with FSA, when possible, to minimize the burden on producers.

Producers who are determined to be compliant based on FSA or RMA data will be notified of the determination by mail, and no other action will be required. If FSA is not able to determine a producer's compliance based on available data, FSA will notify the producer by mail that they must submit supporting documentation to verify their compliance to retain their ERP payment. These producers will also be notified of FSA's final determination of compliance or noncompliance.

Need and Use of the Information: The information submitted by respondents will be used by FSA to determine eligibility and issue payments to eligible applicants under ERP.
