

Farm Service Agency

Title: Emergency Relief Program (ERP) Phase 1 and Phase 2.

OMB Control Number: 0560–0309.

Summary of Collection: The agency is requesting a reinstatement with change of a previously approved collection. The Extending Government Funding and Delivering Emergency Assistance Act, (Division B, Title I, Pub. L. 117–43) requires all producers who received an ERP Phase 1 or Phase 2 payment to purchase crop insurance or Noninsured Crop Disaster Assistance Program (NAP) coverage for the next available year(s). To ensure that ERP participants meet this statutory requirement, FSA is verifying compliance using crop insurance participation data on file with the Risk Management Agency (RMA) and NAP participation data on file with FSA, when possible, to minimize the burden on producers.

Producers who are determined to be compliant based on FSA or RMA data will be notified of the determination by mail, and no other action will be required. If FSA is not able to determine a producer's compliance based on available data, FSA will notify the producer by mail that they must submit supporting documentation to verify their compliance to retain their ERP payment. These producers will also be notified of FSA's final determination of compliance or noncompliance.

Need and Use of the Information: The information submitted by respondents will be used by FSA to determine eligibility and issue payments to eligible applicants under ERP.

Description of Respondents: Farms.

Number of Respondents: 218,930.

Frequency of Responses: Reporting; On Occasion.

Total Burden Hours: 24,975.

Rachelle Ragland-Greene,

Departmental Collection Clearance Officer.

BILLING CODE 3410–05–P

DEPARTMENT OF AGRICULTURE**Submission for OMB Review; Comment Request**

The Department of Agriculture has submitted the following information collection requirement(s) to OMB for review and clearance under the Paperwork Reduction Act of 1995, Public Law 104–13. Comments are requested regarding; whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have

practical utility; the accuracy of the agency's estimate of burden including the validity of the methodology and assumptions used; ways to enhance the quality, utility and clarity of the information to be collected; and ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

Comments regarding this information collection received by April 17, 2026 will be considered. Written comments and recommendations for the proposed information collection should be submitted within 30 days of the publication of this notice on the following website www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function. An agency may not conduct or sponsor a collection of information unless the collection of information displays a currently valid OMB control number and the agency informs potential persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Animal and Plant Health Inspection Service

Title: Standardizing Phytosanitary Treatment Regulations: Approval of Cold Treatment and Irradiation Facilities; Cold Treatment Schedules; Establishment of Fumigation and Cold Treatment Compliance Agree.

OMB Control Number: 0579–0450.

Summary of Collection: The United States Department of Agriculture (USDA) is responsible for preventing plant diseases or insect pests from entering the United States, preventing the spread of pests and noxious weeds not widely distributed into the United States, and eradicating those imported pests when eradication is feasible. The Plant Protection Act (7 U.S.C. 7701—*et seq.*) authorizes the Department to carry out this mission. Under the Plant Protection Act, the Animal and Plant Health Inspection Service (APHIS) is authorized, among other things, to regulate the importation of plants, plant products, and other articles to prevent the introduction of plant pests into the United States. The phytosanitary treatment regulations established generic criteria that allows for the approval of new cold treatment and irradiation facilities; cold treatment

schedules; and the establishment of fumigation and cold treatment compliance agreements.

Need and Use of the Information: APHIS will collect information using PPQ form 519, Compliance Agreements, PPQ form 530, Limited Permit and other collection activities to provide generic criteria for new cold treatment and irradiation facilities, cold treatment schedules, and the establishment of fumigation and cold treatment compliance agreements.

Description of Respondents: Business or other for profit, State, Local, and Tribal Government; Federal Government (Foreign).

Number of Respondents: 46.

Frequency of Responses: Reporting; Annually.

Total Burden Hours: 57.

CIVIL RIGHTS COLD CASE RECORDS REVIEW BOARD

[Agency Docket Number: CRCCRRB–2026–0008–N]

Notice of Formal Determination on Records Release

AGENCY: Civil Rights Cold Case Records Review Board.

ACTION: Notice.

SUMMARY: The Civil Rights Cold Case Records Review Board received 1,075 pages of records from the National Archives and Records Administration (NARA) related to a civil rights cold case incident to which the Review Board assigned the unique identifier 2024–003–050. NARA proposed 259 postponements of sealed federal grand jury information in the records. On February 27, 2026, the Review Board met and determined that 821 pages in full and 34 pages in part should be publicly disclosed in the Civil Rights Cold Case Records Collection. The Review Board decided not to request that the Attorney General petition the relevant court to unseal this information at this time but may choose to do so in the future. The Review Board previously reviewed and made formal disclosure determinations on records related to civil rights cold case incident 2024–004–011 in which NARA proposed postponements. NARA has proposed 4 additional postponements. On March 6, 2026, the Review Board determined that 767 pages in full and 1 page in part
