

employment income benefits (42 CFR 110.33). Survivors or their representatives must submit additional information, such as a marriage license, to prove that they are a survivor of the deceased countermeasure recipient.

The RFB package instructions outline the supporting documentation needed to determine the type and amount of benefits. This documentation is required under 42 CFR 110.60–110.63 to enable the Program to determine the type and amount of benefits the requester may be eligible to receive.

Likely Respondents: Countermeasure recipients, their estates, survivors, and/or their representatives, are the most likely respondents to this **Federal Register** notice regarding the CICIP information collection request because CICIP reviews and, if eligible, compensates countermeasure recipient injury claims.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose, or provide the information requested. This includes the time needed to review instructions; to

develop, acquire, install, and utilize technology and systems for the purpose of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this ICR are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Document name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
Request for Benefits Form and Supporting Medical Documentation	360	1	360	11.00	3,960
Authorization for Use or Disclosure of Health Information Form (Authorization Form)	360	1	360	2.00	720
Additional Medical Documentation and Certification	324	1	324	0.75	243
Supporting Benefits Documentation	30	1	30	10.00	300
Total	1,074	1,074	5,223

HRSA specifically requests comments on: (1) the necessity and utility of the proposed information collection for the proper performance of the agency’s functions; (2) the accuracy of the estimated burden; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) the use of automated collection techniques or other forms of information technology to minimize the information collection burden.
