

become operative immediately upon filing. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest because it will allow the Exchange to allow users seeking to subscribe to colocation services in NY11–5 to do so without delay, and the proposed rule change does not introduce any novel regulatory issues as the proposed services are the same as those currently available in NY11–4. Accordingly, the Commission designates the proposed rule change to be operative upon filing.²¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

IV. Solicitation of Comments

Agency Information Collection Activities; Submission for OMB Review; Comment Request; Extension: Schedule 14D–1F–Tender Offer Statement

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Schedule 14D–1F (17 CFR 240.14d–102) is a form that may be used by any person (the “bidder”) making a cash tender or exchange offer for securities of any issuer (the “target”) incorporated or organized under the laws of Canada or any Canadian province or territory that is a foreign private issuer, where less than 40% of the outstanding class of the target's securities that is the subject of the offer is held by U.S. holders. Schedule 14D–1F is designed to facilitate cross-border transactions in the securities of Canadian issuers. The information required to be filed with the Commission provides security holders with material information regarding the bidder as well as the transaction so that they may make informed investment decisions. The information collected is mandatory and is made publicly

available on the Commission's Electronic Data Gathering, Analysis, and Retrieval (“EDGAR”) system. We estimate that Schedule 14D–1F takes approximately 3.5 hours per response to prepare and is filed once per year by approximately 2 bidders. We estimate that 100% of the burden is carried out internally by the bidder. Based on our estimates, we calculate a total annual reporting burden of 7 hours ((3.5 hours per response × 100%) × 2 responses per year). Because we estimate that 100% of the burden will be carried internally by the bidder, we estimate that there is no cost burden associated with Schedule 14D–1F.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.
