The applicant proposes to mitigate for the take of ABM through an in-lieu fee of \$5,609.70 to the Alabama Coastal Heritage Trust's ABM conservation fund.

Permit Number: PER23007373

Douglas J. Spurling, applicant, requests transfer and modify an existing 30-year ITP to take Alabama beach mice via the conversion of 0.016 ac of occupied nesting, foraging, and sheltering ABM habitat incidental to the construction of a pool with deck to an existing house on a 0.451-ac lot located at 2177 Ponce de Leon Court, Gulf Shores, Alabama. The applicant proposes to mitigate for the take of ABM through an in-lieu fee of \$1,619.20 to the Alabama Coastal Heritage Trust's ABM conservation fund.

Our Preliminary Determination

The Service has made a preliminary determination that reasonably foreseeable effects of the applicants' proposed projects, including the construction of a deck with a pool and a single-family home and associated infrastructure (e.g., electric, water, and sewer lines), would have a minor effect on ABM and the human environment. Therefore, we have preliminarily determined that the proposed ESA section 10(a)(1)(B) permit would meet the requirements of the GCP and FEIS.

Next Steps

The Service will evaluate the application and the comments to determine whether to issue the requested ITP. We also will conduct an intra-Service consultation pursuant to section 7 of the ESA to evaluate the effects of the proposed take. After considering the preceding and other matters, we will determine whether the permit issuance criteria of section 10(a)(1)(B) of the ESA have been met. If met, the Service will issue ITP number PER22978544 to Kitty P. Bowden, ITP number PER2254010 to Tracey Thompson, and ITP Number PER23007373 to Douglas J. Spurling.

The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

SUPPLEMENTARY INFORMATION:

Background.—On February 23, 2026, the Commission determined that the domestic interested party group response to its notice of institution (90 FR 47337, October 1, 2025) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).²

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

Staff report.—A staff report containing information concerning the subject matter of these reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on April 29, 2026. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

Written submissions.—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the

notice of institution,³ and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before May 6, 2026, and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by May 6, 2026. However, should the Department of Commerce (“Commerce”) extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce’s final results is three business days after the issuance of Commerce’s results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission’s rules. The Commission’s *Handbook on Filing Procedures*, available on the Commission’s website at https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf, elaborates upon the Commission’s procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination.—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission’s rules.

By order of the Commission.
Issued: March 18, 2026.

Lisa Barton,

Secretary to the Commission.
