Title of Collection: NCCC Project Sponsor Survey.

OMB Control Number: 3045–0190.

Type of Review: Revision.

Respondents/Affected Public:

Businesses and Organizations (current/prospective AmeriCorps NCCC Project Sponsors).

Total Estimated Number of Annual Responses: 300.

Total Estimated Number of Annual Burden Hours: 100.

Abstract: The AmeriCorps NCCC Project Sponsor Survey is completed by organizations that have sponsored an AmeriCorps NCCC team. The

information requested in the survey is used by AmeriCorps staff to collect feedback from project sponsors. AmeriCorps seeks to revise the current information collection to eliminate several questions from the survey in order to reduce burden, and to change one question to require an estimate of contributed funds and in-kind contributions rather than a detailed spreadsheet. The information collection will otherwise be used in the same manner as the existing survey. AmeriCorps also seeks to continue using the current survey until the revised survey is approved by OMB. The current information collection is due to expire on March 31, 2026.

Walter Goodson,

Director, AmeriCorps NCCC.

Title of Collection: State Workforce Pell Program Certification.

OMB Control Number: 1845–NEW.

Type of Review: A new ICR.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 100.

Total Estimated Number of Annual Burden Hours: 1,600.

Abstract: The One Big Beautiful Bill Act (OBBBA) signed into law on July 4, 2025, made statutory changes to Federal Pell Grants that impact regulatory requirements in this information collection. Section 83002(b) of the OBBB established a new academic program in which eligible students could receive Pell Grants. Programs must meet several criteria to become eligible workforce programs, including certification from their State Governor. This is a request for a new information collection to develop a form for States

to certify an institution's eligibility for eligible workforce programs. This would be an optional form which includes the required elements and is being offered for ease of requirements for State reported information.

Ross Santy,

Chief Data Officer, Office of Planning, Evaluation and Policy Development.
