B. Submitting Comments

The NRC encourages electronic comment submission through the Federal rulemaking website (<https://www.regulations.gov>). Please include Docket ID NRC-2025-0413, in your comment submission.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not

want to be publicly disclosed in your comment submission. All comment submissions are posted at <https://www.regulations.gov> and entered into ADAMS. Comment submissions are not routinely edited to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that comment submissions are not routinely edited to remove such information before making the comment submissions available to the public or entering the comment into ADAMS.

II. Background

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB’s approval for the information collection summarized as follows.

1. *The title of the information collection:* NRCareers (Monster Government Solutions).
2. *OMB approval number:* 3150-0260.
3. *Type of submission:* Extension.
4. *The form number, if applicable:* Not applicable.
5. *How often the collection is required or requested:* Information is collected as needed.
6. *Who will be required or asked to respond:* NRC applicants and selectees for hiring.
7. *The estimated number of annual responses:* 332.
8. *The estimated number of annual respondents:* 332.
9. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 498.

10. *Abstract:* The NRC relies on web-based software for human capital management, workforce development, and candidate recruitment. Relying entirely on paper-based recruitment and hiring systems would be error-prone, time-consuming and inefficient. Instead, the following information is collected electronically: Name, education information (academic institutions, years of attendance, etc.), social security number, personal cellular telephone number, personal email address, home telephone number, employment information, military status/service, and mailing/home address.

III. Specific Requests for Comments

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility? Please explain your answer.

2. Is the estimate of the burden of the information collection accurate? Please explain your answer.

3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?

4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

For the Nuclear Regulatory Commission.

Dated: March 20, 2026.

Heather Dempsey,

Acting NRC Clearance Officer, Office of the Chief Information Officer.
