**SUPPLEMENTARY INFORMATION:**

In accordance with the PRA and 5 CFR 1320.8(d)(1), we provide the public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on October 2, 2025 (90 FR 47816). We did not receive any comments in response to that Notice.

As part of our continuing effort to reduce paperwork and respondent burdens, we invite the public and other Federal agencies to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are especially interested in public comment addressing the following:

- (1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility.
- (2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used.
- (3) Ways to enhance the quality, utility, and clarity of the information to be collected.
- (4) How might the agency minimize the burden of the collection of

information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to the Office of Management and Budget (OMB) to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

**Abstract:** The National Underground Railroad Network to Freedom Act of 1998 (54 U.S.C. 308301, *et seq.*) authorizes the NPS to collect information from applicants requesting to join the Network to Freedom Program (Network). The NPS uses Form 10–946, “National Underground Railroad Network to Freedom Application”, to evaluate potential participants and determine eligibility to become part of the Network. Through the Network, we coordinate preservation and education efforts nationwide, and are working to integrate local historical sites, museums, and interpretive programs associated with the Underground Railroad movement.

All entities that apply to join the Network must have a verifiable association with the historic Underground Railroad movement and must complete and submit Form 10–946 available on our website at <http://www.nps.gov/subjects/ugrr/index.htm>. Respondents must (1) verify associations and characteristics through descriptive texts that are the result of historical research and (2) submit supporting documentation (*e.g.*, copies of rare documents, photographs, and maps).

Network Partners work with the NPS to help validate the efforts of local and regional organizations, making it easier for them to share their expertise and communicate with us and each other. Prospective partners must submit a letter with the following information:

- Name and address of the agency, company or organization.
- Name, address, and phone, fax, and email information of principal contact.

- Abstract not to exceed 200 words describing the partner's activity or mission statement.

- Brief description of the entity's association to the Underground Railroad.

**Abstract:** The NPS is authorized by the Historic Sites Act of 1935 (54 U.S.C. 320101 *et seq.*), National Historic Landmarks Program (36 CFR part 65), and the National Historic Preservation Act of 1966 (54 U.S.C. 300101 *et seq.*) to collect information on behalf of the Secretary of the Interior to evaluate properties applying for historic landmark designation. In accordance with the law and 36 CFR part 65, private citizens, businesses, and organizations; Federal agencies (FPO); State and local public agencies; State Historic Preservation Officers (SHPOs); territories; and Indian tribes (THPO) may submit nominations for National Historic Landmark (NHL) designation. All interested parties must inquire by letter or email about the eligibility of properties to be considered for NHL designation. The inquiry includes the name, location, brief description and

historical summary of property. If determined eligible for consideration the respondent will use NPS Form 10-934, National Historic Landmarks Nomination, to nominate a property. The form is used to collect the following information related to the property:

- (1) Name and location
- (2) data related to the national significance of the property
- (3) any withholding of sensitive information
- (4) geographical data
- (5) statements and discussions about the national significance of the property
- (6) description and statement of integrity
- (7) major bibliographic references and
- (8) name, organization, address, phone number, and email of the person completing the form.
