Abstract: The National Underground Railroad Network to Freedom Act of 1998 (54 U.S.C. 308301, *et seq.*) authorizes the NPS to collect information from applicants requesting to join the Network to Freedom Program (Network). The NPS uses Form 10–946, “National Underground Railroad Network to Freedom Application”, to evaluate potential participants and determine eligibility to become part of the Network. Through the Network, we coordinate preservation and education efforts nationwide, and are working to integrate local historical sites, museums, and interpretive programs associated with the Underground Railroad movement.

All entities that apply to join the Network must have a verifiable association with the historic Underground Railroad movement and must complete and submit Form 10–946 available on our website at <http://www.nps.gov/subjects/ugrr/index.htm>. Respondents must (1) verify associations and characteristics through descriptive texts that are the result of historical research and (2) submit supporting documentation (*e.g.*, copies of rare documents, photographs, and maps).

Network Partners work with the NPS to help validate the efforts of local and regional organizations, making it easier for them to share their expertise and communicate with us and each other. Prospective partners must submit a letter with the following information:

- Name and address of the agency, company or organization.
- Name, address, and phone, fax, and email information of principal contact.

- Abstract not to exceed 200 words describing the partner's activity or mission statement.
