Decision of the Governors of the United States Postal Service on Changes in Rates of General Applicability for Competitive Products (Governors' Decision No. 26-1)

March 24, 2026

Statement of Explanation and Justification

Pursuant to authority under section 3632 of title 39, as amended by the Postal Accountability and Enhancement Act of 2006 ("PAEA"), we establish new prices of general applicability for certain domestic shipping services (competitive products), and concurrent classification changes to effectuate the new prices. These prices shall be in effect at 12:00 a.m. CDT on April 26, 2026, until 12:00 a.m. CST on January 17, 2027, at which time prices will be restored to approved levels. The changes are described generally below, with a detailed description of the changes in the attachment. The attachment includes

¹ See Docket No. RM2018-3, Order Adopting Final Rules Relating to Non-Public Information, June 27, 2018, Attachment A at 19-22 (Order No. 4679).

the draft Mail Classification Schedule sections with the new prices that will take effect on April 26 displayed in the price charts, as well as the Mail Classification Schedule sections with the prices that will be restored on January 17, 2027, unless the Governors take further action to adjust prices.

As shown in the nonpublic annex being filed under seal herewith, the changes we establish should enable each competitive product to cover its attributable costs (39 U.S.C. 3633(a)(2)) and should result in competitive products as a whole complying with 39 U.S.C. 3633(a)(3), which, as implemented by 39 CFR 3035.107(c), requires competitive products collectively to contribute a minimum of 8.0 percent to the Postal Service's institutional costs. Accordingly, no issue of subsidization of competitive products by market dominant products should arise (39 U.S.C. 3633(a)(1)). We therefore find that the new prices are in accordance with 39 U.S.C. 3632–3633 and 39 CFR 3035.102.
