**SUPPLEMENTARY INFORMATION:**

*Title; Associated Form; and OMB Number:* Administrative Claims for Loss and Damage to Personal Property; DD Forms 1842 and 1844; OMB Control Number 0702-PROP.

*Needs and Uses:* Information must be collected to process and settle claims for personal property that is lost, damaged, or destroyed incident to government service. This collection is necessary to comply with the Military Personnel and Civilian Employees Claims Act (31 United States Code, section 3721), which authorizes payment for loss or damage of personal property incident to service.

The information is collected using DD Form 1842 and DD Form 1844 and is used by Military Claims Office personnel across the Services to adjudicate claims. The data allows

claims examiners to verify claimant eligibility, assess the value of the lost or damaged property, and determine the appropriate reimbursement. The collection is primarily done through service-specific websites, though paper forms are also available.

The respondents are military and civilian personnel, their family members, or their next of kin who have suffered a property loss during official travel or other circumstances related to their service. Without this information collection, the Services would be unable to process claims and reimburse personnel for their property losses as required by law. Respondents are retired/former military, retired/former Federal (GS/NAF) employees, U.S. military Academy students, ROTC Cadets, family members with Power of Attorney, and Next of Kin.
