

has been subject to public comment⁴⁹ and no comments have been received.

Amendment No. 1 does not raise any novel regulatory issues that have not previously been subject to comment. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Act,⁵⁰ to approve the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

VI. Conclusion

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁵¹ that the proposed rule change (SR-NYSEAMER-2026-02), as modified by Amendment No. 1, be and hereby is approved on an accelerated basis.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁵²

SECURITIES AND EXCHANGE COMMISSION

[OMB Control No. 3235-0313]

Agency Information Collection Activities; Proposed Collection; Comment Request; Extension: Rule 203-2 & Form ADV-W

Upon Written Request, Copies Available

From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549-2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“SEC” or “Commission”) is soliciting comments on the proposed collection of information. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

The title for the collection of information is “Rule 203-2 (17 CFR 275.203-2) and Form ADV-W (17 CFR 279.2) under the Investment Advisers Act of 1940 (15 U.S.C. 80b).” Rule 203-2 under the Investment Advisers Act of 1940 establishes procedures for an investment adviser to withdraw its registration or pending registration with the Commission. Rule 203-2 requires every person withdrawing from

investment adviser registration with the Commission to file Form ADV-W electronically on the Investment Adviser Registration Depository (“IARD”). The purpose of the information collection is to notify the Commission and the public when an investment adviser withdraws its pending or approved SEC registration. Typically, an investment adviser files a Form ADV-W when it ceases doing business or when it is ineligible to remain registered with the Commission.

The respondents to the collection of information are all investment advisers that are registered with the Commission or have applications pending for registration. The Commission has estimated that compliance with the requirement to complete Form ADV-W imposes a total burden of approximately 0.75 hours (45 minutes) for an adviser filing for full withdrawal and approximately 0.25 hours (15 minutes) for an adviser filing for partial withdrawal. Based on historical filings, the Commission estimates that there are approximately 880 respondents annually filing for full withdrawal and approximately 673 respondents annually filing for partial withdrawal. Based on these estimates, the total estimated annual burden would be 828.25 hours ((880 respondents × .75 hours) + (673 respondents × .25 hours)).

Rule 203-2 and Form ADV-W require recordkeeping or records retention—an adviser must keep a copy of its filed ADV-W in its records and the Commission record retention schedule is Job. No. N1-266-91-1-43a. The collection of information requirements under the rule and form are mandatory. The information collected pursuant to the rule and Form ADV-W are filings with the Commission. These filings are not kept confidential.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB Control Number.

Written comments are invited on: (a) whether this proposed collection of information is necessary for the proper performance of the functions of the SEC, including whether the information will have practical utility; (b) the accuracy of the SEC’s estimate of the burden imposed by the proposed collection of information, including the validity of the methodology and the assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated, electronic

collection techniques or other forms of information technology.

Please direct your written comments on this 60-Day Collection Notice to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Tanya Ruttenberg via email to PaperworkReductionAct@sec.gov by June 1, 2026. There will be a second opportunity to comment on this SEC request following the **Federal Register** publishing a 30-Day Submission Notice.

Dated: March 27, 2026.

Sherry R. Haywood,

Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–105101; File No. SR–ISE–2026–11]

Self-Regulatory Organizations; Nasdaq ISE, LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Extend the Designated Date for Removal of the Exchange’s Dedicated GPS Antenna Service Under Rule General 8, Section 1(d)

March 27, 2026.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on March 23, 2026, Nasdaq ISE, LLC (“ISE” or “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I, II, and III, below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to extend the designated date by which service for existing customers with a dedicated GPS antenna under Rule General 8, Section 1(d) (Co-Location Services) will terminate and all dedicated GPS antennas must be removed, as described further below.

The text of the proposed rule change is available on the Exchange’s website at <https://listingcenter.nasdaq.com/rulebook/ise/rulefilings>, and at the principal office of the Exchange.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange offers a Global Positioning System (“GPS”) antenna service, which allows customers that co-locate their servers and equipment within the Exchange’s original data center (“NY 11”) in Carteret, NJ to synchronize their time recording systems to the U.S. Government’s GPS network time (the “Service”). GPS network time is the atomic time scale implemented by the atomic clocks in the GPS ground control stations and GPS satellites. Each GPS satellite contains multiple atomic clocks that contribute precise time data to the GPS signals. GPS receivers decode these signals, synchronizing the receivers to the atomic clocks. A GPS antenna serves as a time signal receiver and feeds a primary clock device the GPS network time using precise time data. Firms can use the precise time data provided by the GPS antenna to time-stamp transactional information. Time synchronization services are well established in the U.S. and utilized in many areas of the U.S. economy and infrastructure. The Service is not novel to the securities markets, or to the Exchange.

Historically, the Exchange has offered connectivity to a GPS antenna via two options: over shared infrastructure or a dedicated antenna.³

Fees for such GPS antenna services are as follows. The installation fee for the shared connection is \$900, and the monthly fee for that service is \$600.⁴ The installation fee for existing clients of the dedicated GPS antenna is \$1,500 and the monthly fee for that service is \$600.⁵

³ The shared infrastructure provides GPS services through Nasdaq-installed shared cables and hardware located within the data center, whereas the dedicated antenna requires the firm to supply their own privately owned antenna hardware. The dedicated GPS antenna service was made available only in the Exchange’s original data center hall, NY11. As discussed in this proposal, on September 30, 2025, the Exchange filed to terminate the dedicated GPS antenna service and associated fees. See Securities Exchange Act Release No. 104200 (Nov. 18, 2025), 90 FR 52778 (Nov. 21, 2025) (SR–ISE–2025–32). By contrast, the shared GPS antenna service is available in the NY11, as well as the Exchange’s extension area (NY11–4) and its future extension area (NY11–5).

⁴ See Rule General 8, Section 1(d).

⁵ See SR–ISE–2025–32, *supra* note 3. Firms may choose to purchase multiple time synchronization Services for resiliency or otherwise. The Exchange offers the Service as a convenience to firms to provide them with the ability to synchronize their own primary clock devices to GPS time via a shared GPS timing signal and time-stamp transactional
