

being terminated for all customers. The Exchange is merely proposing to extend the designated time for the termination of the dedicated GPS service and removal of all dedicated GPS antennas, which would provide all customers with the same timeline for terminating or converting to the shared GPS antenna service on a non-discriminatory basis. Continuing with the service until the proposed extended termination date of April 30, 2026, however, is voluntary, and customers are free to terminate their dedicated GPS antenna service at any time before the proposed extension date. Use of any co-location service is completely voluntary, and each market participant can determine whether to use co-location services based on the requirements of its business operations.

The purpose of this proposal is to extend the designated date for termination of the GPS dedicated antenna service (and removal of all dedicated GPS antennas) from April 1, 2026, as previously scheduled,¹⁶ to April 30, 2026, and to inform the Commission and market participants of that change. The removal of the Exchange's dedicated GPS antenna service under Rule General 8, Section 1(d) was proposed in a previous rule filing that was submitted to the SEC,¹⁷ and the Exchange is not proposing in this filing any changes to that filing other than to modify the designated date for the termination of the dedicated GPS antenna service and associated fee and the removal of all dedicated GPS antennas. The Exchange is extending that termination date to April 30, 2026, in light of delays associated with the completion of the new shared GPS antenna offering, and in order to provide customers who have opted for the shared GPS antenna service with sufficient time to test that service before termination of their dedicated GPS antenna service takes effect on April 30, 2026, as proposed. As discussed above, continuation of that service until the proposed extended termination date of April 30, 2026, is voluntary, and customers are free to terminate their dedicated GPS antenna service at any time before the proposed extension date.

NMS⁵ as concerned solely with the administration of the UTP Plan and as a “Ministerial Amendment” under Section XVI of the UTP Plan. As a result, the Amendment can be submitted by the Chair of the UTP Plan’s Operating Committee and becomes effective upon filing.

The Commission is publishing this notice to solicit comments on the Amendment from interested persons. Set forth in Sections I and II is the statement of the purpose and summary of the Amendment, along with the information required by Rules 608(a) and 601(a) under the Act, as prepared and submitted by the Participants.

I. Rule 608(a)

1. Purpose of the Amendments

The above-captioned amendments effectuate a change to reflect the new name of Nasdaq BX as Nasdaq Texas. The amendment also admits the Texas Stock Exchange as a Participant to the UTP Plan.

2. Governing or Constituent Documents

No change as result of amendments.

3. Implementation of Amendments

Because the amendment constitutes a “Ministerial Amendment” under Section XVI of the UTP Plan, the Chair of the UTP Plan’s Operating Committee may submit the amendment to the Commission on behalf of the Participants in the UTP Plan. Because the Participants designate the amendment as concerned solely with the administration of the UTP Plan, the amendment becomes effective upon filing with the Commission.

4. Development and Implementation Phases

No change as result of amendments.

5. Analysis of Impact on Competition

The amendment does not impose any burden on competition because they simply effectuate a change in the name of a Participant and admit a new Participant to the Plan. For the same reasons, the Participants do not believe that the amendments introduce terms that are unreasonably discriminatory for the purposes of Section 11A(c)(1)(D) of the Exchange Act. The Texas Stock Exchange has completed the required steps to be added to the UTP Plan.

6. Written Understanding or Agreements Relating to Interpretation of, or Participation in, Plan

See Item 3 above.
