Foreign-Trade Zones Board

[B–35–2026]

Foreign-Trade Zone (FTZ) 83, Notification of Proposed Production Activity; Adtran, Inc.; (Telecommunications Equipment); Huntsville, Alabama

Adtran Inc., submitted a notification of proposed production activity to the FTZ Board (the Board) for its facility in Huntsville, Alabama within Subzone 83G. The notification conforming to the requirements of the Board’s regulations (15 CFR 400.22) was received on March 26, 2026.

Pursuant to 15 CFR 400.14(b), FTZ production activity would be limited to the specific foreign-status material(s)/ component(s) and specific finished product(s) described in the submitted notification (summarized below) and subsequently authorized by the Board. The benefits that may stem from conducting production activity under FTZ procedures are explained in the background section of the Board’s

website—accessible via www.trade.gov/ftz.

The proposed finished products include: optical line termination devices and network channel cards (duty rates are duty-free).

The proposed foreign-status materials/components include: aluminum electrolytic capacitors; multilayer ceramic capacitors; conductive copper foil (less than 0.15mm); connectors for printed circuits; connector terminals; converters used for networking items; diodes; aluminum distance sleeves; stainless steel non-threaded distance sleeves; stainless steel threaded distance sleeves; electromechanical relays; equipment mounting brackets; fan assemblies; fixed carbon resistor networks; surface mount fixed carbon resistors; surface mount fixed metal film resistors; fuses; foam gasket; light-emitting diode light pipes; stainless steel spring lock washers; steel torx screws; stainless steel torx screws; helical coil compression springs; heat sinks for integrated circuit; amplifier integrated circuits; 32-bit controller integrated circuits; 16-bit microcontroller integrated circuits; 32-bit microcontroller integrated circuits; discrete logic integrated circuits; dynamic random-access memory integrated circuits; electrically erasable programmable read only memory integrated circuits; controller integrated circuits; microprocessor central processing unit integrated circuits; field programmable logic device integrated circuits; inductance coils; plastic isolation plates; self-adhesive plastic labels; light emitting diodes; stainless steel machine screws; paper manuals; optical coupled isolator integrated circuits; corrugated cardboard box packaging; foam inserts for packaging material; resealable plastic bags; cold rolled steel constructed chassis housings for telecom product; surface mount ferrite beads; printed circuit boards; push-button switches; quartz crystal oscillators; aluminum rivets; zinc coated steel self-locking nuts; signal diodes; tantalum capacitors; thermal pads; thermistors; transistors; and, metal-oxide-semiconductor field-effect transistors (duty rate ranges from duty-free to 6.2%).

The request indicates that certain materials/components are subject to duties under section 122 of the Trade Act of 1974 (Section 122), section 232 of the Trade Expansion Act of 1962 (section 232), or section 301 of the Trade Act of 1974 (section 301),

depending on the country of origin. The applicable section 122, section 232, and section 301 decisions require subject merchandise to be admitted to FTZs in privileged foreign status (19 CFR 146.41).

Public comment is invited from interested parties. Submissions shall be addressed to the Board’s Executive Secretary and sent to: ftz@trade.gov. The closing period for their receipt is May 11, 2026.

International Trade Administration

Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Advance Notification of Sunset Review

AGENCY: Enforcement and Compliance, International Trade Administration, Department of Commerce.

Background

Every five years, pursuant to the Tariff Act of 1930, as amended (the Act), the U.S. Department of Commerce (Commerce) and the U.S. International Trade Commission automatically initiate and conduct reviews to determine whether revocation of an antidumping duty or countervailing duty order or termination of an investigation suspended under section 704 or 734 of the Act would be likely to lead to continuation or recurrence of dumping or a countervailable subsidy (as the case may be) and of material injury.

Upcoming Sunset Reviews for May 2026

Pursuant to section 751(c) of the Act, the following Sunset Reviews are scheduled for initiation in May 2026 and will appear in that month’s *Notice of Initiation of Five-Year Sunset Reviews* (Sunset Review).

Suspended Investigations

No Sunset Review of suspended investigations is scheduled for initiation in May 2026.

Commerce's procedures for the conduct of Sunset Reviews are set forth in 19 CFR 351.218. The *Notice of Initiation of Five-Year (Sunset) Review* provides further information regarding what is required of all parties to participate in Sunset Reviews.

Pursuant to 19 CFR 351.103(c), Commerce will maintain and make available a service list for these proceedings. To facilitate the timely preparation of the service lists, it is requested that those seeking recognition as interested parties to a proceeding contact Commerce in writing within 10 days of the publication of the Notice of Initiation.

Note that if Commerce receives a Notice of Intent to Participate from a member of the domestic industry within 15 days of the date of initiation, the review will continue.

Thereafter, any interested party wishing to participate in the Sunset Review must provide substantive comments in response to the notice of initiation no later than 30 days after the date of initiation. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).¹ An electronically-filed document must be received successfully in its entirety via Commerce's online e-filing and document management system, Antidumping and Countervailing Duty Electronic Service System (ACCESS) by 5:00 p.m. Eastern Time on the day on which it is due. For further information on procedures for filing information with Commerce through ACCESS, refer

to User Guide found at <https://access.trade.gov/login.aspx>.

In prior proceedings we have encouraged interested parties to provide an executive summary of their comments, including footnotes. In these sunset reviews, we request that interested parties provide, at the beginning of their comments, an executive summary for each issue raised in their comments. Further, we request that interested parties limit their public executive summary of each issue to no more than 450 words, not including citations. We intend to use the public executive summaries as the basis of the comment summaries included in the decision memorandum that will accompany the notice to be published in the **Federal Register**. Finally, we request that interested parties include footnotes for relevant citations in the public executive summary of each issue.

Notification to Interested Parties

This notice is not required by statute but is published as a service to the international trading community.

Dated: March 17, 2026.

Scot Fullerton,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
