**Abstract of Proposed Collection**

In accordance with part 129 of the ITAR, U.S. and foreign persons required to register as a broker shall provide annually a report to DDTC enumerating and describing brokering activities by quantity, type, U.S. dollar value, purchaser/recipient, and license number for approved activities and any exemptions utilized for other covered activities. This information is currently used in the review of munitions export and brokering license applications and to ensure compliance with defense trade statutes and regulations. As appropriate, such information may be shared with other U.S. Government entities.

**Methodology**

Brokering Reports are submitted annually with Statement of Registration renewals.

Applicants are referred to ITAR part 129 for guidance on information to submit regarding proposed brokering activity.
