Any such discussions will involve matters that relate solely to internal personnel rules and practices of the sponsor agencies and the disclosure of information of a personal nature

Such discussions will be segregated into separate discussions so that a portion of each meeting will be open to the public. The determination shall be in writing and shall contain the reasons for the determination. A determination has been made in writing by the GAO, the U.S. Department of the Treasury, and the Office of Management and Budget, as required by section 10(d) of FACA, that such portions of the meetings may be closed to the public in accordance with subsection (c) of section 552b of title 5, United States Code.

Pursuant to 41 CFR 102-3.140 and section 10(a)(3) of FACA, 5 U.S.C. 1009(a)(3), any member of the public wishing to provide input to the FASAB may submit a written statement. The public or interested organizations may submit written comments or statements to the Board about its mission and/or the topics to be addressed in the open sessions of a public meeting. Written comments or statements should be submitted to fasab@fasab.gov and must be received at least 5 days before the meeting date. All advance submissions will be reviewed by the Designated Federal Officer. If approved, advance submissions shall be circulated to the

Board members for review prior to the meeting. Please note that because FASAB operates under FACA, all written comments will be treated as public documents and will be made available for public inspection.
