Rural Utilities Service

Title: Substantially Underserved Trust Areas (SUTA), 7 CFR 1700, Subpart D.

OMB Control Number: 0572–0147.

Summary of Collection: The 2008 Farm Bill (Pub. L. 110–246, codified at 7 U.S.C. 906f) authorized the Substantially Underserved Trust Area (SUTA) initiative. The SUTA initiative gives the Secretary of Agriculture certain discretionary authorities relating to financial assistance terms and conditions that can enhance the financing possibilities in areas that are underserved by certain Rural Utilities Service (RUS) electric, water and waste, telecommunications and broadband programs. The SUTA initiative identifies the need for the program and improves the availability of RUS programs to reach trust areas when they are determined by the Secretary of Agriculture (such authority has been delegated to the Administrator of RUS) to be substantially underserved, as set forth in the regulations at 7 CFR part 1700, subpart D. RUS programs that are affected by this provision include: Rural Electrification Loans and Guaranteed Loans, New ERA and PACE Loans and Grants and High-Cost Energy Grants; Water and Waste Disposal Loans, Guaranteed Loans and Grants; Rural Broadband Loans, Loan/Grant Combinations, and Loan Guarantees; Community Connect Program and Rural eConnectivity Program.

Need and Use of the Information:

RUS provides loans, loan guarantee and grant programs for rural electric, water and waste, and telecommunications and broadband infrastructure. Eligible applicants notify RUS in writing, at the time of application, that it seeks consideration under the requirements of 7 CFR 1700, subpart D. The data covered by this collection are those materials necessary to allow the agency to determine applicant and community eligibility, and an explanation and documentation of the high need for the benefits of the SUTA provisions. Without this information RUS would not be able to make a prudent loan decision.
