

*Title of Collection:* 30 CFR part 1220, OCS Net Profit Share Payment Reporting.

*OMB Control Number:* 1012-0009.

*Form Numbers:* None.

*Type of Review:* Extension of a currently approved collection.

*Respondents/Affected Public:* Businesses.

*Total Estimated Number of Annual Respondents:* 3.

ONRR does not currently have any active NPSLs in its system because the leases have either expired, were terminated, or relinquished. However, because the authority to issue similar leases may still exist, ONRR does not anticipate—but also cannot entirely rule out—the possibility of future monthly sales reports. Furthermore, companies may still be within the allowable timeframe to adjust prior reporting. Between January 2022 and January 2026, ONRR received three adjustment royalty reports. For these reasons, the time burden associated with this ICR has decreased as ONRR expects only a minimal number of additional adjustments for NPSLs.

ONRR excluded estimates of certain requirements performed in the normal course of business that are considered usual and customary.

*Total Estimated Number of Annual Responses:* 3.

*Total Estimated Number of Annual Burden Hours:* 9 hours.

*Estimated Completion Time per Response:* 3 hours.

*Respondent's Obligation:* Mandatory.

*Frequency of Collection:* On occasion.

*Estimated Annual Non-Hour Cost Burden:* ONRR has identified no “non-hour” cost burden associated with the collection of information.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

The authority for this action is the PRA (44 U.S.C. 3501 *et seq.*).

## INTERNATIONAL TRADE COMMISSION

### Silicon Metal From Angola, Laos, and Thailand

#### Determinations

On the basis of the record<sup>1</sup> developed in the subject investigations, the United States International Trade Commission (“Commission”) determines, pursuant to the Tariff Act of 1930 (“the Act”), that an industry in the United States is materially injured by reason of imports of silicon metal from Laos, provided for in subheadings 2804.69.10 and 2804.69.50 of the Harmonized Tariff Schedule of the United States, that have been found by the U.S. Department of Commerce (“Commerce”) to be sold in the United States at less than fair value (“LTFV”), and subsidized by the government of Laos.<sup>2</sup> The Commission also determines that a U.S. industry is threatened with material injury by reason of imports of silicon metal from Angola that are sold at LTFV.<sup>3</sup> The Commission further determines that imports of silicon metal from Thailand found by Commerce to be subsidized by the government of Thailand are negligible and terminates the countervailing duty investigation concerning Thailand.<sup>4</sup>

#### Background

The Commission instituted these investigations effective April 24, 2025, following receipt of petitions filed with the Commission and Commerce by Ferroglobe USA, Inc., Beverly, Ohio, and Mississippi Silicon LLC, Burnsville, Mississippi. The final phase of the investigations was scheduled by the Commission following notification of preliminary determinations by Commerce that imports of silicon metal from Laos and Thailand were subsidized within the meaning of section 703(b) of the Act (19 U.S.C. 1671b(b)) and imports from Angola and Laos were sold at LTFV within the meaning of 733(b) of the Act (19 U.S.C. 1673b(b)). Notice of the scheduling of the final phase of the Commission’s investigations and of a public hearing to be held in connection therewith was given by posting copies of the notice in the Office of the Secretary, U.S. International Trade Commission,

Washington, DC, and by publishing the notice in the **Federal Register** on November 26, 2025 (90 FR 54365).<sup>5</sup> The Commission conducted its hearing on February 19, 2026. All persons who requested the opportunity were permitted to participate.

The Commission made these determinations pursuant to §§ 705(b) and 735(b) of the Act (19 U.S.C. 1671d(b) and 19 U.S.C. 1673d(b)). It completed and filed its determinations in these investigations on April 6, 2026. The views of the Commission are contained in USITC Publication 5720 (April 2026), entitled *Silicon Metal from Angola, Laos, and Thailand: Investigation Nos. 701-TA-761, 701-TA-763, 731-TA-1743 and 731-TA-1745 (Final)*.

assistance in gaining access to the Commission should contact the Office of the Secretary at 202–205–2000. General information concerning the Commission may also be obtained by accessing its internet server (<https://www.usitc.gov>). The public record for this proceeding may be viewed on the Commission's electronic docket (EDIS) at <https://edis.usitc.gov>.

**SUPPLEMENTARY INFORMATION:**

*Background.*—On March 6, 2026, the Commission determined that the domestic interested party group response to its notice of institution (90 FR 55167, December 1, 2025) of the subject five-year reviews was adequate and that the respondent interested party group response was inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.<sup>1</sup> Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act (19 U.S.C. 1675(c)(3)).<sup>2</sup>

For further information concerning the conduct of these reviews and rules of general application, consult the Commission's Rules of Practice and Procedure, part 201, subparts A and B (19 CFR part 201), and part 207, subparts A, D, E, and F (19 CFR part 207).

*Staff report.*—A staff report containing information concerning the subject matter of the reviews has been placed in the nonpublic record, and will be made available to persons on the Administrative Protective Order service list for these reviews on April 15, 2026. A public version will be issued thereafter, pursuant to § 207.62(d)(4) of the Commission's rules.

*Written submissions.*—As provided in § 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,<sup>3</sup> and any party other than an interested party to the reviews may file written comments with the Secretary on what determination the Commission should reach in the reviews. Comments are due on or before 5:15 p.m. on April 22, 2026 and may not contain new factual information. Any

person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information) pertinent to the reviews by April 22, 2026. However, should the Department of Commerce ("Commerce") extend the time limit for its completion of the final results of its reviews, the deadline for comments (which may not contain new factual information) on Commerce's final results is three business days after the issuance of Commerce's results. If comments contain business proprietary information (BPI), they must conform with the requirements of §§ 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's *Handbook on Filing Procedures*, available on the Commission's website at [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf), elaborates upon the Commission's procedures with respect to filings.

In accordance with §§ 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

*Determination.*—The Commission has determined these reviews are extraordinarily complicated and therefore has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. 1675(c)(5)(B).

*Authority:* These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to § 207.62 of the Commission's rules.

By order of the Commission.

Issued: April 7, 2026.
