

sampling frame, the sample design (including stratification and clustering), the precision requirements or power calculations that justify the proposed sample size, the expected response rate, methods for assessing potential non-response bias, the protocols for data collection, and any testing procedures that were or will be undertaken prior to fielding the study. Depending on the degree of influence the results are likely to have, such collections may still be eligible for submission for other generic mechanisms that are designed to yield quantitative results.

As a general matter, information collections will not result in any new system of records containing privacy information and will not ask questions of a sensitive nature, such as sexual behavior and attitudes, religious beliefs, and other matters that are commonly considered private.

Title: Generic Clearance for the Collection of Qualitative Feedback on Agency Service Delivery.

OMB Number: 3124-0015.

Type of Information Collection: Renewal, without change, of a currently approved information collection.

ICR Status: This ICR is currently scheduled to expire on August 31, 2026. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information, unless it displays a currently valid OMB control number.

Abstract of Proposed Collection: This collection is part of a Federal Government-wide effort to streamline the process for seeking feedback from the public on service delivery and provides a means to obtain qualitative customer and stakeholder feedback in an efficient, timely manner, in accordance with MSPB's commitment to improving service delivery. Responses to any collection of information under this ICR are voluntary.

Affected Public: Individuals and Households; Businesses and Organizations.

Estimated Total Number of Respondents: 600.

Estimated Frequency of Responses: Once per year.

Estimated Total Average Number of Responses for Each Respondent: Once per year.

Estimated Total Annual Burden Hours: 49.8.

Estimated Total Cost: \$1,887.42.

Comments: Comments should be submitted as indicated in the ADDRESSES caption above. Comments are solicited to: (a) evaluate whether the collection of information is necessary for the proper performance of the functions of MSPB, including whether the information shall

have practical utility; (b) evaluate the accuracy of MSPB's estimate of the burden of the collection of information; (c) enhance the quality, utility, and clarity of the information to be collected; (d) minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) evaluate the estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information, to search data sources, to complete and review the collection of information; and to transmit or otherwise disclose the information.

Gina K. Grippando,

Clerk of the Board.

NATIONAL FOUNDATION ON THE ARTS AND THE HUMANITIES

Institute of Museum and Library Services

Submission for OMB Review, Comment Request, Proposed Collection: 2027-2029 IMLS Grant Application Forms

AGENCY: Institute of Museum and Library Services, National Foundation on the Arts and the Humanities.

ACTION: Submission for OMB review, request for comments on this collection of information.

SUMMARY: The Institute of Museum and Library Services (IMLS) announces that the following information collection has been submitted to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act. This process helps to ensure that requested data can be provided in the desired

format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. This Notice proposes clearance of the IMLS Grant Application Forms for fiscal year (FY) 2027 through FY 2029.

A copy of the proposed information collection request can be obtained by contacting the individual listed below in the **FOR FURTHER INFORMATION CONTACT** section of this Notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section below on or before May 10, 2026.

ADDRESSES: Written comments and recommendations for proposed information collection requests should be sent within 30 days of publication of this Notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection request by selecting "Institute of Museum and Library Services" under "Currently Under Review," then check "Only Show ICR for Public Comment" checkbox. Once you have found this information collection request, select "Comment," and enter or upload your comment and information. Alternatively, please mail your written comments to the Office of Information and Regulatory Affairs, Attn.: OMB Desk Officer for the Institute of Museum and Library Services, Office of Management and Budget, Room 10235, Washington, DC 20503, or call (202) 395-7316.

OMB is particularly interested in comments that will help the agency to:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology (e.g., permitting electronic submission of responses).

FOR FURTHER INFORMATION CONTACT: Sandra Narva, Acting Director of Grants Management, Office of Grants

Management, Institute of Museum and Library Services, 200 Constitution Avenue NW, Suite N-3627, Washington, DC 20210. Ms. Narva can be reached by telephone: 202-653-4634 or by email at snarva@imls.gov. Office hours are from 8:30 a.m. to 5 p.m., E.T., Monday through Friday, except on federal holidays.

SUPPLEMENTARY INFORMATION: IMLS is the primary source of federal support for the nation's libraries and museums. The agency advances, supports, and empowers America's museums, libraries, and related organizations through grant making, research, and policy development. To learn more, visit www.imls.gov.

Current Actions: This Notice proposes the clearance of the 2027-2029 IMLS Grant Application Forms. The purpose of this collection is to facilitate the administration of the IMLS application and review processes for its discretionary grants and cooperative agreements. IMLS uses standardized application forms for eligible libraries, museums, and other organizations to apply for its funding. The forms submitted for public review in this Notice are the IMLS Museum Program Information Form, the IMLS Library-Discretionary Program Information Form, the IMLS Supplementary Form, and the IMLS Budget Form. Each of these forms is included in one or more of the *Grants.gov* packages associated with IMLS grant programs.

Also, this action seeks approval for the information collection for the IMLS Museum Program Information Form, the IMLS Library-Discretionary Program Information Form, the IMLS Supplementary Form, and the IMLS Budget Form. All forms included in this request are planned to be utilized from FY 2027 through FY 2029.

The 60-day Notice was published in the **Federal Register** on February 2, 2026 (91 FR 4638). The agency received no comments in response to this Notice.
