Due to the lapse in appropriations and Federal Government shutdown, on November 14, 2025, Commerce tolled all deadlines in administrative proceedings by 47 days.¹⁰ Additionally, due to a backlog of documents that were electronically filed via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS) during the Federal Government shutdown, on November 24, 2025, Commerce tolled all deadlines in administrative proceedings by an additional 21 days.¹¹ Accordingly, the deadline for the preliminary results of this review is now April 9, 2026.

On March 11, 2026, we issued a memorandum notifying parties of our intent to rescind the 2024–2025 administrative review and invited interested parties to comment.¹² No party filed comments on Commerce's Intent to Rescind Memorandum.

Rescission of Review

Pursuant to 19 CFR 351.213(d)(1), Commerce will rescind an administrative review, in whole or in part, if a party who requested the review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review in the **Federal Register**. For Canam, Forterra, Hyperscon, and Pipe & Piling, the petitioner timely withdrew its requests for review by the 90-day withdrawal deadline, and no other parties requested a review of these companies. Because all parties timely withdrew their requests for a review of these exporters, consistent with 19 CFR 351.213(d)(1), Commerce is rescinding this review, in part, with respect to these companies.

Furthermore, pursuant to 19 CFR 351.213(d)(3), Commerce will rescind an administrative review of an AD order where there are no entries of subject merchandise during the POR for which

¹¹ See Memorandum, "Tolling of all Case Deadlines," dated November 24, 2025.

¹² See Memorandum, "Intent to Rescind," dated March 11, 2026 (Intent to Rescind Memorandum). Based on record information, we determine that Evraz did not have knowledge that subject merchandise it produced was destined for the United States and thus Evraz is not considered the exporter of subject merchandise during the POR for the purposes of this review. Therefore, we determine that Evraz made no shipments of subject merchandise during the POR.

liquidation is suspended.¹³ Normally, upon completion of an administrative review, the suspended entries are liquidated at the AD rates calculated for the review period.¹⁴ Therefore, for an administrative review to be conducted, there must be a reviewable, suspended entry that Commerce can instruct CBP to liquidate at the calculated AD rates for the review period.¹⁵ As noted above, because we determine that Evraz made no shipments of subject merchandise during the POR, there were no suspended entries of subject merchandise for any companies subject to this review in the CBP data during the POR.¹⁶ Accordingly, in the absence of reviewable, suspended entries of subject merchandise during the POR for the companies under review, we are hereby rescinding this administrative review in its entirety, in accordance with 19 CFR 351.213(d)(3).

Assessment

Commerce will instruct CBP to assess antidumping duties on all appropriate entries. Antidumping duties shall be assessed at rates equal to the cash deposit rate of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). Commerce intends to issue assessment instructions to CBP no earlier than 41 days after the date of publication of this rescission notice in the **Federal Register**.
